At Federation University, we're driven to make a real difference. To the lives of every student who walks through our doors, and to the communities we help build and are proud to be part of.

We are one of Australia's oldest universities, known today for our modern approach to teaching and learning. For 150 years we have been reaching out to new communities, steadily building a generation of independent thinkers united in the knowledge that they are greater together.

Be part of our diverse community

Today, we are proud to have more than 21,000 Australian and international students and 114,000 alumni across Australia and the world. Into our supportive, inclusive and thriving community, we welcome people from all backgrounds and cultures.

Ready for the next level?

The transition to university is exciting, for you and for us. In the following pages, we'll guide you through every step of the way; the ins and outs of making an application, what campus life is like, our outstanding facilities, the scholarships we offer, and so much more.

Reasons to choose Federation University

Our history

The University has a distinguished history as one of Australia's oldest higher education institutions. We have a strong tradition of education and training delivery and celebrated our 150 year tradition in 2020. We became Federation University Australia in January 2014.

Diversity

We are committed to providing equal opportunity and freedom from discrimination and harassment for all members of the Federation community, and to creating an environment that reflects our values; the social and cultural diversity within the communities it serves.

State of the art facilities

And when it comes to your classes, our state-of-the-art facilities provide everything you need to get ahead. You will have access to an array of essential and contemporary teaching and learning technologies.

You are part of something bigger

And this begins the moment you arrive. From our clubs, societies and sports teams, to our recreational trips and activities, you'll have every opportunity to get involved in Federation life – to meet new people, get inspired and build lifelong connections.

Small class sizes

Our class sizes are small, meaning you can receive one-to-one assistance directly from your lecturers and tutors.

We are built for success

Wherever you walk around our campuses, you'll find plenty of natural green spaces and nooks to meet up with people, study, or just take time out.

Support that never stops

Even after you graduate, you're still part of our community. With strong relationships with industry partners, your degree will provide opportunities that are set to grow.

Our research changes lives

Our research is ranked well above world standard, with the university achieving the highest possible five-out-of-five rating in seven research areas by Excellence in Research Australia (ERA). We're driven by the innovative research we do, and the brilliant minds that power it.

We collaborate with communities and industries across Australia and overseas and our work has measurable impact on our wider society.

Find out where you belong

Being at university is about feeling comfortable with where you're studying, not just what you're studying. With our six campuses stretching across Victoria – from the regional areas of Ballarat and Gippsland, to our city campus in Berwick, Melbourne – and our Brisbane Campus in Queensland, – we're sure you'll find a campus that's right for you.

Either onsite or close by, all our campuses have everything you need to get ahead in your studies and also enjoy life outside the classroom. Consistently voted as one of the safest countries in the world*, Australia is a beautiful, multicultural country with world-renowned natural attractions, quality of life and climate. From the Great Ocean Road to the Great Barrier Reef, many of Australia's highlights are within close reach of our campuses.

Brisbane

Regional and city living

Federation's campuses located in regional and city locations provide several options for you to choose from. If you're unsure of whether the hustle and bustle of city life or a more relaxed pace surrounded by nature is best for you, here's an overview of what you can expect in each location to help you decide.

Regional living

More and more international students are choosing to study at our campuses in regional Victoria.

Ballarat is home to our Mt Helen and Camp Street campuses and is known for its elegance and history. Famous since the 1850s, when the Victorian gold rush drew immigrants from all over the world, Ballarat is today Australia's third-largest inland city, with a population of over 100,000 people.

The city itself has many attractions, including Victorian era architecture, a bustling city centre and the tranquil charm of Lake Wendouree, the famous Sovereign Hill outdoor museum and the Ballarat Botanical Gardens. Living in Ballarat offers an affordable and relaxed regional city lifestyle, with a vibrant nightlife, restaurant and cultural scene, popular local festivals and easy access to spectacular sights.

Gippsland is an extensive and diverse region of Victoria renowned for its natural beauty. The local scenery ranges from spectacular coastline to snow-covered mountains. Churchill, home to our Gippsland Campus, is one of four major towns in the Latrobe Valley that has a total population of over 70,000 people.

Known for its wide range of industries, the Valley's key sectors include education, health, tourism, retail, manufacturing, power production, agribusiness, forestry and paper.

The Campus features modern architecture and is set on 60 hectares of stunning landscaped grounds. Latrobe Valley boasts all the recreational and cultural facilities of a large regional centre. The region is within easy driving reach of Mt Baw Baw Ski Resort, white-water rivers and beautiful coastal parks, including Wilsons Promontory and the Gippsland Lakes.

Students based in regional locations find their learning experiences are enriched by meeting local and international people in a supportive environment where you're never too far from your friends. You'll have an authentic Australian experience with more opportunities to improve your English and understand Australian culture and history. You'll enjoy a quality lifestyle and won't have a long commute to campus either.

Living in Ballarat or Gippsland will save you money as accommodation costs are lower than larger cities. You'll also build meaningful connections with industry through part-time work with major regional employers. Living in a regional area also provides the opportunity to benefit from an attractive range of government incentives.* This includes the ability to apply for a four-year post-study work visa, priority processing on regional visas and access to the Regional Occupations Lists, with a wider selection of listed jobs.

* For further details on the Australian Federal Government's announcement, visit www.pm.gov.au/media/morrison-government-increases-regional-migration-target. International students should refer to immigration to confirm eligibility requirements. These are subject to change.

City living

You'll be spoiled for choice and rarely bored in a major city.

Berwick is an attractive and multicultural suburb of Melbourne, routinely ranked in the top five most liveable and best student cities globally*. One of the fastest growing regions in Australia, Berwick has a diverse population, including residents from over 150 different cultural backgrounds.

Within easy reach of Melbourne's vibrant culture and entertainment, Berwick is also a short journey to the more tranquil charms of national parks and the Mornington Peninsula. Leafy boulevards, parklands, cafes, restaurants and boutique shops abound in the area. The Wilson Botanic Park offers lakes, picnic areas and scenic walking trails, while Westfield Fountain Gate, Australia's second largest shopping centre, is just one stop away on the train.

The suburb's key employment sectors include education and health, with a range of quality education facilities, public and private hospitals and other medical facilities servicing the growing region.

* QS World University Ranking 2019 Report

^ EIU Global Liveability Index 2019

Brisbane is the capital city of Queensland and ranks among the top student cities in the World[^], making it the perfect place to live, study and work. With a beautiful subtropical climate, Brisbane enjoys year-round outdoor activities.

Built along the banks of the Brisbane River, the city has a vibrant centre including shopping, arts and entertainment, surrounded by beautiful parkland. Living and studying in the city allows you to balance inner city life with access to natural outdoor spaces.

Brisbane is Australia's fastest-growing capital city for employment, ahead of Sydney, Melbourne and Perth. There is no better place to study while positioning yourself for your career!

Melbourne and Brisbane are easily connected to popular cities with many flights coming and going each day. It's also easy to get around on public transport via an excellent network of train, tram, bus or ferry.

Industry networking opportunities abound with an abundance of global businesses providing employment opportunities for students and graduates.

Berwick

Study in suburban Melbourne

Berwick is our newest campus, located around 40km south east of the Melbourne CBD, easily accessible by metro train. Berwick's multi-level campus combines modern architecturally designed buildings and innovative facilities with spacious landscaped surroundings – everything you need to make the most of your time here.

Building a brighter future

Equipped with a newly developed science lab, nursing labs, library and on-campus accommodation, Berwick is our newest campus – and it shows. It also features an expansive solar array that dramatically reduces our carbon footprint, and metro and country rail links are within walking distance.

Transport

The Berwick Campus is located 40km south east of the city centre of Melbourne. Train and bus services operate between Melbourne's City Loop Stations and Berwick Station, via the Pakenham metro train. Travel time is approximately 1 hour duration. Upon arrival at Berwick Station, it is a 5 minute walk to reach the Berwick Campus. You can also travel by car. This journey takes 45 minutes via the M1 Highway (this route has tolls), or 1 hour via the M3 and M1 highways (no tolls).

Our campuses and locations

Ballarat

Ballarat is the historic home of Federation University Australia, with our timeline dating back to the foundation of the School of Mines Ballarat in 1870. Today, Federation University is a central focus of the city, with major campuses and strong connections to local industry, culture and community.

Mt Helen Campus

Where nature meets innovation

Our flagship Ballarat campus is set on 110 hectares of natural bushland, Mt Helen combines a beautiful location with cutting-edge teaching and research facilities.

Mt Helen Campus boasts a state-of-the-art science and engineering building, immersive nursing labs, new health and sports precinct, lecture theatres, 24 hour access computer labs, library, spiritual facilities, student lounges, café, eating areas and a children's centre. With beautiful walking trails around the grounds, keep an eye out for koalas and kangaroos.

Camp Street Campus

Creativity in the heart of the city

Located right in the centre of Ballarat, Camp Street is known for its highly-regarded Arts Academy – a unique integration of new and historic buildings, including specialised theatres and galleries. You can study visual and performing arts courses in the kind of environment needed to hone your creativity, experiment and showcase your work.

Transport

About 110km north-west of Melbourne – accessible train and bus services operate between Melbourne's Southern Cross Station and Ballarat Station. A one-way journey is approximately 1 hour duration. To connect to the Mt Helen Campus a bus service operates from Ballarat Station at half hourly intervals. Travel time is 25 minutes from Ballarat Station. There is also an excellent freeway network that connects Melbourne and Ballarat if you prefer to travel by car. This journey is 1.5 hours duration.

Brisbane Campus

Gippsland Campus

Brisbane

A higher degree of success

Primarily an international student campus, the Brisbane Campus is situated in the heart of Brisbane. The new award winning architect-designed facility has the latest in technology and comfort and is within walking distance of great eateries, shopping and entertainment. It's also conveniently located near our preferred accommodation provider, StudentOne, and the central train station.

Refer to Industry connections on page 12 to read more about our partnerships with Concentrix and River City Labs.

Transport

The Brisbane Campus is located in the heart of Brisbane at 333 Ann Street. It is only one block walk from Central Station and a short walk from the CityGlider bus service and ferry terminals. With excellent transport connections, the Campus couldn't be easier to access.

Gippsland

Globally inspired

Our Gippsland Campus combines the best of what regional campus life is all about – a welcoming community, innovative learning environment and excellent research facilities. Situated on 60 hectares of landscaped grounds and adjacent to the town of Churchill, it's approximately two hours from Melbourne.

Harnessing the potential of technology

At the Gippsland Campus, we offer our students and teachers the very best learning and research facilities – particularly in the Carbon Technology Research Centre (CTRC). Gippsland also features science, engineering, nursing and midwifery labs with the latest equipment, a 1500m2 multi-use auditorium, and a three-level library with quality study spaces for group work, such as the Library Learning Centre.

Transport

The Gippsland Campus is located 160km from the city centre of Melbourne. Train and bus services operate between Melbourne's Southern Cross Station and Traralgon and Morwell Stations.

Click here to take a virtual tour of our campuses and facilities, or visit [federation.edu.au/virtualtour](https://www.federation.edu.au/virtualtour)

Online study

International students located in their home countries outside Australia, are able to study online. Studying via our online studies hub is both interactive and engaging. You'll not only have access to your lectures, tutorials and class materials, but you'll be able to chat with academics and classmates in real time, as well as join support sessions and fun virtual events too.

We understand that travel restrictions may be impacting you. If they continue, we will support you to commence your studies online in 2022 and transition you to on campus as soon as able.

Please visit the Australian Government website for more information on international travel [covid19.homeaffairs.gov.au](https://www.covid19.homeaffairs.gov.au)

Industry connections

At Federation University we understand that you need real world experience along with your degree to achieve your goals.

All our courses are regularly assessed to ensure strong industry relevance so you can incorporate academic theory into real-life work situations. Our priority is to deliver the highest quality student experience, which means our graduates become effective global citizens wherever they choose to live or work.

Work placement opportunities

We have close connections with a wide range of industry partners, offering excellent employment outcomes and recognition for our high-performing graduates. Across our schools, the vast majority of courses provide practical experience through industry placements or Work Integrated Learning (WIL) components.

Industry projects

Students thrive during industry project opportunities that are available both face to face and online in many study areas. During the pandemic, students from our Brisbane campus participated in an online project with industry partner River City Labs to solve real-world problems for start-up businesses, gaining valuable work experience and practical skills.

Partnerships with industry

We're proud to be the home of a new \$9.5 million Business Centre of Excellence. Due for completion in late 2022, the centre will feature a range of learning and teaching spaces including cutting technology such as IBM-Watson Internet of Things (IoT), facilities for researchers and spaces for community and industry engagement.

Launched in 2021, our partnership with AWS Cloud supports delivery of our new Master of Applied Cyber Security degree. Students will learn through customised courses related to cloud environments and access the latest technologies used in modern workplaces.

Our partnership with Runway, located at the SMB Campus, goes from strength to strength. The co-design and co-delivery of the Experiential MBA Program between Runway and our Federation Business School was launched in September 2019. This collaboration has been extended to offer students an opportunity to work with startup businesses to apply their learnings.

Celebrating a 25 year partnership with IBM

IBM, one of the world's leading technology companies, has been an anchor tenant of our Ballarat Technology Park since 1995. From these state-of-the-art facilities, IBM provides its clients with innovative Information and Communications Technology (ICT) services across the Asia Pacific.

Federation University and IBM share a special partnership that has been in place for 25 years. Together, we work closely in IT course delivery and in providing work placement opportunities for our IT and Business students. IBM team members teach in our Bachelor of Information Technology (Professional Practice) course, sharing their invaluable experience. In return, IBM has access to a pool of talented Federation students from which to recruit permanent employees, people who are already familiar with the company's culture and processes. As part of this, successful students are able to access a special "earn as you learn" scholarship with IBM, giving them the unique insights offered through being in a global business.

Industry experts close by

Our Technology Parks, based at the Mt Helen and SMB campuses are home to major organisations including IBM®, Concentrix and the Fiona Elsey Cancer Research Institute. The new Morwell Innovation Centre is near our Gippsland Campus, furthering the reach of our collaboration with business and the community.

In Brisbane, we make full use of industry connections through an extensive network of partnerships with the city's leading businesses. Additionally, we connect students to partners through industry-integrated learning programs, specific to their degree. Leading local industry partners include River CityLabs, Arc, STempunks, CoderDojo and Concentrix.

Our industry partners include:

"We are very privileged to have a thriving partnership with Federation University.

As a premium Tech Startup Incubator in Qld, we get to work with the best and brightest in Entrepreneurs and Technologists who are creating the future of our world and solving problems at a global scale.

Having the emerging talent from Federation University as part of this ecosystem and directly working with Qld Startups is part of what keeps the innovating growing!"

Pauline Fetau
General Manager
River City Labs

"My degree included extensive placements at IBM, and I now work there full-time as a Business Analyst and Application Developer. Working for a company like IBM has been my dream since I was a child, and Federation University gave me the opportunity to make that dream come true."

Dinh Trong Nguyen
Bachelor of Information Technology
(Professional Practice)
Vietnam

Benefits of living on campus

Success

Our research shows students who live with us are more likely to succeed

Friendship

Develop instant networks and lifelong friendships with a sense of community

Opportunity

Amazing opportunities, planned experiences, activities and so much fun

Support

24/7 support so you can enjoy a balanced living and learning community

Convenience

For peace of mind and convenience, residences are located on, or close to campus

Student accommodation

Make campus your home

At Federation University we offer a range of accommodation options located on or close to our campuses in Ballarat, Gippsland and Berwick.

Living in residential accommodation, you will get to meet people from a range of backgrounds, cultures and courses in a community as thriving as it is inclusive.

Our research shows students who live in university residences are more likely to be successful in their studies and transition to university life. Our highly effective support programs, and unique residential experience contribute to greater satisfaction and success in relation to your university experience. Our dedicated teams are there to provide support and make your success and happiness a priority.

Our accommodation starts from around \$180 per week; with a range of options including fully furnished single bedrooms, self-contained apartments, ensuite rooms, studios and houses, both on and off campus. You will have access to communal living areas, TV/lounge rooms, fully equipped kitchens, laundry and recreation facilities.

Accommodation fees includes all bills, internet, 24/7 access to residential support, various residential programs, events and activities.

Accommodation Support Scholarship

International students commencing studies with Federation University Australia may be eligible for an Accommodation Support Scholarship to live on campus in Ballarat, Berwick or Gippsland. Value is up to \$4000 a year.

Airport transfer service

Federation University's airport transfer service is available to new commencing international students. This service offers transfer from Melbourne Tullamarine International Airport to Ballarat, Gippsland or Berwick campuses.

Short-term accommodation

Short stay accommodation is available for students at the Ballarat, Berwick and Gippsland campuses. Visit the website for full details and bookings.

International guarantee

As an international student, you're guaranteed* accommodation while studying at Federation University.

Brisbane campus

Federation's preferred accommodation provider for our Brisbane students is Student One. Located just a three minute walk to campus, and close to public transport, we have an entire floor dedicated to Federation students. Discover more online studentone.com/feduni-brisbane

Visit our website for details on accommodation options, and to apply online federation.edu.au/fedliving

* Eligibility and application criteria apply

Our support services and programs

The help you need, when you need it

At Federation University, we are ranked the number one university in Victoria for student support.* We understand that studying abroad is exciting, but it's also a difficult challenge, and you're probably going to need some help. You might need help understanding your assignments. You might need support with your English. Or you might need somebody to talk to about more personal life concerns.

Our effective range of student-focused services enables international students to develop the skills, knowledge and confidence to achieve in Australian education. Studying abroad is a challenge but, with the right support and guidance, there's always a way to succeed.

English Language Support Service

Our English Language Support Service offers free assistance to help new international students understand course materials, assignments and university culture. Experienced and empathetic tutors explain what's required of you as a student in Australia and give you the skills and confidence to get better grades and communicate clearly in class.

Libraries

Comfortable spaces to study, with over 500,000 books, e-books and 30,000 journal titles. You can also borrow a laptop or get involved in our library skills programs.

[federation.edu.au/library](https://www.federation.edu.au/library)

Counselling

Onshore students are welcome at our free and confidential counselling service. Our professional counsellors provide support and referral for all personal and academic issues. If you can't make it in, we also offer video and phone counselling. If you're located outside Australia you can contact International Student Support for assistance. [federation.edu.au/counselling](https://www.federation.edu.au/counselling)

Spiritual facilities

People of all faiths are welcome at Federation University. There are multi-faith prayer rooms/places of peace for all students at our campuses, as well as Muslim prayer rooms with separate male and female facilities.

Chaplaincy

Chat with a chaplain for spiritual and pastoral care support, or any practical matters to do with university life. [federation.edu.au/chaplaincy](https://www.federation.edu.au/chaplaincy)

Support for students with disabilities

We want everyone to have full access to all our programs and facilities. If you have a disability, short or long term medical condition, or a mental health condition, or care for someone that does, just get in touch with our Disability and Learning Access Unit. [federation.edu.au/disability](https://www.federation.edu.au/disability)

Online services

Our #1 rated student support services* extends virtually—we're only ever a click away. Our international student support team are on hand to guide you through your study journey. We also offer virtual drop-in sessions with learning advisors and mentors, as well as fun virtual events and career guidance too.

Student careers and employment

The Careers and Employability team offer a range of events, programs and services enabling you to find work while you study, gain valuable work experience, plan for your future career and enhance your employment prospects.

[federation.edu.au/studentcareers](https://www.federation.edu.au/studentcareers)

Elite athlete, coach and performer university program

It can be difficult to juggle higher education with your sporting and performance goals. But our service lets you make flexible study arrangements so you can excel in both arenas.

Childcare centres

Federation's Children's Centres are located at our Mt Helen, SMB and Gippsland campuses, and there are a number of external childcare centres located within a short distance of the Berwick Campus.

[federation.edu.au/childrens-centres](https://www.federation.edu.au/childrens-centres)

Student health

Ballarat

The Mt Helen Campus is home to an accredited Health Centre, staffed by doctors, nurses and counsellors throughout study periods. The centre provides confidential consultation services to the University community.

[federation.edu.au/health-centre](https://www.federation.edu.au/health-centre)

Our SMB and Camp Street campuses are located within easy reach of a full range of health services in the Ballarat CBD.

Berwick

Berwick Healthcare is co-located on campus. Students and staff are able to access all available services.

Gippsland

A campus nurse provides free, confidential consultations for all students.

Brisbane

Brisbane students can access health services through the CBD Medical Clinic and World Wellness Group. Both are located close to Campus with a range of services available.

International Student Support

Our International Student Support team are committed to providing all international students with support, engagement and community links from before you arrive until the day you successfully graduate.

After you accept your offer, we'll be in touch to answer any questions you have before your flight: what it's like to live and study in Australia, how to find accommodation and more.

Once you arrive, we provide an orientation to give you all the essential information to get started at Federation University and both face to face and online social programs to help you meet new friends, settle in and see some of the local sights.

If you ever have questions or problems and you don't know who to speak to, we provide individualised support to help you overcome challenges and access other services.

Get in touch if you're unsure about anything, you can find us at all major campuses and we're fully available online. federation.edu.au/international/student-support

Experience uni life

Federation alumni

When you graduate from Federation, you're still part of the family. Through our alumni community, you can connect with people from all over the world, share common experiences and discover new opportunities. federation.edu.au/alumni

Student representation

The Student Senate is your voice at Federation. They work hard to improve your student experience, influencing student policies and the development of your physical, cultural and technological learning environments. federation.edu.au/student-senate

Sports clubs and societies

At Federation University, you can learn a new sport, play socially or even represent the University. A wide range of social, cultural, sporting and special interest clubs, groups and societies are available, offering the chance to connect with other students and make the most of your university experience.

For further information about sport and recreation visit federation.edu.au/sport

Student development

Federation provides exciting leadership and volunteer opportunities to help you develop leadership and networking skills, and make new contacts in Australia. We're passionate about helping students make positive changes on campus, in the local community and even internationally. We host regular events on campus and virtually, as well as offering professional development workshops.

'I was impressed to see that local people volunteered to support international students by arranging trips and clubs for us to take part in. Friends of mine who studied in bigger cities didn't always have that experience.'

Duong Hoai Nhung

Master of Business Administration
Country of origin: Vietnam

Study abroad and exchange

Federation University's study abroad and exchange programs offer the chance to become immersed in a totally different environment.

This enriching experience will enable you to see and do things you wouldn't expect, and meet people who have grown up in a different culture. When you study abroad, you have a unique opportunity to make friends with people from all kinds of different cultures, and learn about other countries and customs

While living abroad you'll be able to try new foods, hear traditional music, have a go at local activities and explore everything else your host culture has to offer. It's also fascinating to learn and see your own culture through the eyes of somebody else's - you can learn a lot about yourself and your home country this way.

Eligible study abroad and exchange students from Federation University's official exchange institutions, are welcome to enrol in either one or two semester programs in a wide range of academic areas. Students gain academic credit at a host institution while remaining enrolled with Federation University.

Why study abroad? This time may be the only opportunity you'll ever get to travel abroad for a long period of time. Eventually you will find a job and career, and the opportunity to study abroad may turn out to be a once in a life time opportunity.

Take this opportunity to travel the world with no commitments but to study and learn about new cultures. Studying abroad is an experience unlike any other.

The exchange and study abroad program is subject to Australia's travel restrictions. Please visit the Australian Government website for more information on international travel [covid19.homeaffairs.gov.au](https://www.covid19.homeaffairs.gov.au)

Find out more at [federation.edu.au/studyabroad](https://www.federation.edu.au/studyabroad)

"By integrating into the community and connecting with the locals, we gained far greater insights into the culture and the way of life for the Fijians than we could ever achieve as a tourist. It is with this experience that we take home a lasting connection to this community, and therefore a heightened awareness of the things we can do to help our Pacific neighbours. There is no better way to appreciate the complexity of a global economy than to leave your local community and explore it for yourself."

Karly McCaskill
Fiji International Business Trip,
Master of Business Administration

"This program was such a rewarding experience and a trip I will never ever forget. Personally, I feel as though I have gained so much more confidence and was able to develop a better understanding about my own goals and what direction I wish to head in once I finish this degree."

Tira Warn
New Colombo Plan trip to Nepal,
Bachelor of Veterinary and Wildlife Science

"I chose Federation because of the course, but also because of the scholarships, which have really helped me financially. I haven't been here long, but it already feels like home. There's a great mix of people from different backgrounds and cultures, including students from my own country. From the day I arrived, I haven't felt homesick at all."

Aneena Baby
India

"I wanted to study abroad to gain more experience and learn about the differences in education. The course has been great so far. The classes are small, around 10-12 people, and the lecturers are really helpful and supportive. There are great facilities and places to study, and I always feel welcome on campus. The tuition fees are also quite affordable, especially with the scholarship I receive."

Imelda Verawati
Indonesia

"With an accommodation scholarship I stayed at Fedliving Berwick for one year. Securing a scholarship really helped me feel less stressed about finances and living arrangements – I really appreciated it. Living on campus also meant I met a lot of friends from different countries, learn more about their cultures and gave me many good memories. *It was a great experience!*"

Philip Lin
China

Scholarships

At Federation University Australia, we're driven to make a real difference to the lives of every student who studies with us. We support people from all walks of life – helping build the communities we're proud to be part of. If you've got the talent and the drive, chances are we have the financial support you need.

Global Innovator Scholarship

The Global Innovator Scholarship celebrates the enterprising spirit of international students. All new international students commencing an undergraduate or postgraduate coursework program in 2022 will receive a **guaranteed 20% tuition fee scholarship** (AU\$9,000 to AU\$26,000) the full duration of their degree.

Global Excellence Scholarship

The Global Excellence Scholarship celebrates the academic achievement of international students. New international students with an outstanding academic background will receive a **25% tuition fee scholarship** (AU\$11,000 to AU\$32,500) for the full duration of their degree.

Accommodation Support Scholarship

Living on campus is a great way to settle into life at Federation. New international students may be eligible for our Accommodation Support Scholarship to live on campus in Ballarat, Berwick or Gippsland. **Value is up to AU\$4,000 for a year.**

Other scholarships, such as Foundation Scholarships and Australia Awards may also be available. For full details of scholarships, including eligibility criteria and terms and conditions, visit [federation.edu.au/international/scholarships](https://www.federation.edu.au/international/scholarships)

Alumni success

Dr Kiran Mazumdar-Shaw AM

Distinguished Alumna (2015)

Dr Kiran Mazumdar-Shaw has been named among TIME magazine's 100 most influential people in the world and received numerous international awards for her contributions to biotechnology. In 2020, Dr Mazumdar-Shaw was awarded an Honorary Member within the Order of Australia (AM) for her contribution in advancing the Australia-India bilateral relationship, as well as being awarded EY World Entrepreneur of the Year. She is a Distinguished Alumna of Federation University.

Dr Mazumdar-Shaw graduated from the University in 1975 as a Master Brewer with a Graduate Diploma in Malting and Brewing.

The only female student on the program, her diligence shone through as she came top of the class.

Dr Mazumdar-Shaw became India's first female brew-master upon her graduation. However, with few career opportunities available to women in the brewing industry at the time, she turned her skills to the emerging biotechnology sector.

In 1978 she joined Biocon Biochemicals Ltd as a trainee manager, subsequently establishing Biocon India Ltd in collaboration with the Irish company. Dr Mazumdar-Shaw's experience in the brewing industry underpinned the co-invention of a unique cauldron based on fermentation techniques that led to the development of Biocon's now patented biotechnology reactor.

Biocon has since evolved into a highly successful biopharmaceutical enterprise focused on healthcare and committed to reducing therapy costs of chronic diseases such as diabetes and cancer. Through innovative products and research services, it enables access to affordable healthcare for patients, partners and healthcare systems across the globe.

Dr Robert Foo Hee Chong AM

Distinguished Alumnus (2016)

Robert Chong is a former Mayor of the City of Whitehorse in Melbourne, who has made outstanding contributions to his local community for over 25 years. He has been awarded an Order of Australia Medal, Centenary Medal and Member of the Order of Australia. Robert arrived in Australia from Malaysia in 1962 and studied Applied Chemistry at the School of Mines Ballarat (now Federation University).

After graduating, Robert worked as a chemist and research assistant before joining the Royal Australian Air Force. When Robert moved to the Blackburn area of Melbourne in the early 1970s he saw a need to support recently arrived Chinese immigrants living in his community. He founded the Chinese Community Social Services Centre, served as the President of the Federation of Chinese Associations (Vic) Incorporated, and founded several Chinese Senior Citizens Clubs. Due to his strong advocacy for migrant support services, Robert was invited to serve on the newly established Board of the Migrant Information Centre for East Melbourne for seven years, and was then appointed by the Victorian Minister of Health to the Board of Eastern Health.

Since 2011, Robert has served as Chair of the Eastern Health Foundation. Robert was elected as a councillor in the City of Whitehorse in 1997 and re-elected in 2012 for a sixth term. During this time he served two terms as Mayor.

In 2016, Robert was awarded Distinguished Alumnus of Federation University for outstanding service to the community and his pre-eminent contribution to community health and local government.

In 2018, he was awarded the Degree of Doctor of the University Honoris Causa.

Sanjay Bharwani

International Alumnus of the Year (2020)

Sanjay Bharwani graduated in 1994 with a Bachelor of Technology degree from the University of Ballarat (now Federation University). He has had outstanding professional achievement throughout his career in banking and corporate consultancy, leading major strategic initiatives and improving organisational effectiveness, productivity and management capabilities at PT Bank Mandiri and other major organisations.

After graduating, Sanjay returned home to Jakarta, Indonesia, and quickly found work as a lecturer in IT diploma programs, applying the skills and knowledge he had learnt in Australia. With his language skills, cultural awareness and excellent business and technical acumen, Sanjay was headhunted in 1995 to become Client Services Manager at the Australian Embassy in Jakarta.

This led on to further senior management positions at major IT and finance companies including Accenture, Willis Towers Watson, PermataBank, Bank BTPN and Bank Mandiri, where he worked as Senior Executive Vice President, Chief Human Capital Officer and Chief Corporate Transformation Officer.

Recently, Sanjay left his role at PT Bank Mandiri, Indonesia's largest bank, to found and direct Bester & Co., a business performance improvement consultancy firm.

Over the past two decades, Sanjay has lived and worked in over a dozen countries but still retains fond memories of life in Ballarat.

'I loved the city and got to know so many local and international friends. The campus was very welcoming. I knew all my lecturers well and spent time as President of the Ballarat Overseas Student Association.'

Emily Situ

International Alumna of the Year (2018)

Emily Situ graduated from Federation University's Master of Business Administration (MBA) degree in 2005 and has gone on to a highly successful career in marketing. She currently works as Branding Director for Overseas Markets at Country Garden, the largest property development company in China. In 2018, Emily returned to Federation University to accept the award of International Alumna of the Year.

Before applying to Federation University, Emily worked as a Marketing Officer for a government organisation in Hong Kong. 'I felt a need to study and strengthen my knowledge,' she says, 'and an MBA is a popular path to improving your management skills.'

'I remember being attracted to Ballarat to experience the real Australia. I didn't want to travel abroad just to live in a big city with many other Chinese people. I wanted to meet people from different backgrounds, and I was attracted to the reputation of the University, which is highly-rated for teaching quality and student satisfaction.'

Emily especially enjoyed the small class sizes, personalised learning and diversity of other students. *'One thing that was new for me was that the course didn't have a fixed group of classmates. Every subject had different students. The range of ages and nationalities surprised me at first, but it was wonderful to learn from everyone's varied work and life experiences.'*

Looking back, Emily says that her experience at Federation University changed her in two main ways. *'It gave me more confidence in my work and made me more independent. The way of thinking I developed at Federation Business School really helped me to develop my career. The MBA enabled me to improve my strategic thinking and develop my management style. I learned how to open my mind and think outside the box, which is something I'd never really done. I returned to China more confident in my abilities and quickly found a job as Team Leader at a major PR agency.'*

English pathways and entry requirements

If you don't meet the English requirements for the course of your choice, you have the opportunity to find a pathway with an English and Academic Preparation course.

Our English and Academic Preparation (EAP) courses are designed to assist international students to gain entry into higher education degrees that require an Academic IELTS of 6.0, 6.5 or 7.0. Study can be as short as 5, 10, 15 or 20 weeks, giving students a strong foundation for academic success.

EAP courses run prior to the commencement of each semester at our Ballarat and Berwick campuses. Courses are also available online whilst travel restrictions are in place. Classes are scheduled for 20 hours of contact time each week. This is on campus for onshore students and online for international students unable to study in Australia due to travel restrictions. Additional independent study is expected by students to meet the minimum standards to pass.

Learning tasks and assessments

Our EAP courses aim to enhance and develop students' English language skills and knowledge of western academic culture. During the course, students will develop skills in:

- Academic reading and writing
- Oral presentations and tutorial discussions
- Academic vocabulary and assessments
- Research and study techniques

A range of learning tasks and assessment methods will enable students to demonstrate competency. Students are generally not required to sit an Academic IELTS test after their satisfactory completion of EAP.

English and Academic Preparation (EAP)

Get future ready

Investing in our campuses

We're continually enhancing our facilities and fostering connections between industry and our university, supporting job growth and innovation.

Recent upgrades at our campuses have included:

- Reopening of our Health and Sports Precinct at Mt Helen after a \$16.5 million transformation
- \$17 million Morewell Innovation Centre opened in Gippsland
- Opening of new \$4.4 million allied health teaching and lab facilities at Gippsland to support delivery of new allied health degrees
- New street frontage and an additional level of teaching space opened at the Brisbane campus
- \$2.5 million development of new nursing clinical learning environments at Berwick
- New \$940,000 cyber security labs
- We're building Australia's first renewable energy wind turbine training tower at the Mt Helen Campus, with construction commencing mid 2021. This tower has been jointly funded by industry.

New degrees

We're working with industry and proud to develop degrees that prepare graduates for future global employment across in-demand sectors.

New degrees include:

- Master of Public Health (also available as Graduate Certificate and Graduate Diploma)
- Master of Engineering Project Management
- Master of Engineering Technology (Mechatronic Systems Engineering)
- Master of Engineering Technology (Renewable Energy and Electrical Power Systems)
- Bachelor of Engineering (Electrical and Information Engineering) (Honours)
- Bachelor of Professional Accounting
- Bachelor of Cognitive Enterprise
- Bachelor of International Sport Management
- Bachelor of Secondary Education
- Bachelor of Secondary Education (Health and Physical Education Teaching)
- Bachelor of Sustainable Food Systems

Learn more about these new degrees at [study.federation.edu.au](https://www.study.federation.edu.au)

Business

Be a new kind of leader

Confident, competent and industry-ready are just a few words to describe graduates from Federation Business School. As a student of Federation Business school, you can expect to develop your skills in the classroom and put those skills into practice with real-world projects and engagement with industry.

At Federation Business School we believe to be successful, graduates must not only know the principles and practices of business but also 'soft skills' such as critical thinking, leadership, capacity to adapt to change and teamwork. This belief is translated into our coursework so that our students are fully prepared for their career.

Our lecturers are industry experts and are committed to delivering student-focussed, high-quality learning and teaching experiences. We also continually revise our courses to reflect changes, trends and global developments to ensure that our students receive the most up-to-date, relevant knowledge and skills.

"My degree gave me the skills to work more effectively, and it was professionally accredited, so it made me eligible to enter the CPA and CA in Australia and New Zealand. It also gave me a great comparison between the Australian system and the Portuguese system, which is used in Timor-Leste. Since graduating and returning home, I've been working as an accountant and built strong connections between my firm and Australian companies and clients."

Soimali Fernandes, Timor-Leste Master of Professional Accounting graduate

Bachelor of Applied Management

Give yourself the skills to successfully run your own business. Increase your chances of getting that managerial role. Become the manager that every employer wants to hire and every employee wants to work for. In this online degree, you'll consolidate your people, project and resource management skills with the key knowledge needed to take a business to the next level. Career opportunities include General Manager, Operations Manager, Project Manager and Supervisor.

LOCATION Online/Off-campus		INTAKE February, July, November
DURATION 3 years	CRICOS 073593K	ANNUAL FEE \$25,900
ENTRY REQUIREMENTS Successful completion of Australian Year 12, Diploma in any field, an Advanced Diploma in a relevant business discipline, or overseas equivalent and significant industry experience in the relevant professional area. If you hold a Diploma or Advanced Diploma you may be eligible to receive up to two years credit. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		

Bachelor of Business

Create a custom degree that will launch your career in business. You can major in marketing, management, or banking and finance. Our Work Integrated Learning Program will ensure you are work-ready through a practical placement, internship, or project (total of 192 placement hours across 12 weeks). Career opportunities include marketing, research, strategic planning, business owner, procurement, operations, startups, international trade, consulting and management.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland), Online/Off-campus

Bachelor of Cognitive Enterprise

Designed in collaboration with IBM®, the Bachelor of Cognitive Enterprise is a degree of the future. You will learn how disruptive technologies such as Blockchain and Artificial Intelligence (AI) contribute to the digital transformation of organisations. You will be job-ready by earning IBM Digital Badges (certifications) in Blockchain and AI and by gaining valuable experience through our work integrated learning program. This degree will give you the confidence to start your career as a business analyst, systems analyst, digital transformation consultant, technology manager, change management consultant or digital business strategist.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland), Brisbane (Queensland), Online/Off-campus			
INTAKE February & July: All Victorian campuses, Online March: Brisbane			
DURATION 3 years	CRICOS 106090A	ANNUAL FEE \$25,900	
ENTRY REQUIREMENTS Successful completion of Australian Year 12, or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.			

Bachelor of Professional Accounting

This comprehensive course is designed for people with an aptitude for numbers and desire to forge a professional accounting career. You will have the opportunity to undertake a practical placement, internship or project, making you more employable in the marketplace.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland), Brisbane (Queensland), Online/Off-campus			
INTAKE February, July, November	DURATION 3 years	CRICOS 102356A	ANNUAL FEE \$25,900
ENTRY REQUIREMENTS Successful completion of Australian Year 12, or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0.			
PROFESSIONAL RECOGNITION Recognised by CPA Australia and Chartered Accountants Australia and New Zealand. Accredited with the Tax Practitioners Board allowing graduates to apply to become a registered tax agent.			

Master of Business Administration (International Business)

Study the Master of Business Administration (International Business) to become a world business leader. You'll develop the skills and specialist knowledge to be a manager within a multitude of areas, including leadership, policy, practice and evidence based delivery. If you are currently working in business or aspiring to a management position, this degree is for you.

LOCATION Online/Off-campus		INTAKE February, July
DURATION 2 years	CRICOS 0100319	ANNUAL FEE \$28,800
ENTRY REQUIREMENTS Successful completion of a bachelor degree or equivalent professional qualification or overseas equivalent. Applicants holding other academic qualifications and/or significant managerial work experience may also be granted. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		

Master of Professional Accounting

The Master of Professional Accounting (MPA) has been designed for students whose first degree is in a non-accounting field. It provides you with a comprehensive course of study in accounting theory and practice that is recognised by both CPA Australia and Chartered Accountants Australia and New Zealand, enabling you to pursue a pathway to qualification as a professional accountant. Other career outcomes include banker or stockbroker.

LOCATION Online/Off-campus		INTAKE February, July
DURATION 2 years	CRICOS 085211G	ANNUAL FEE \$28,800
ENTRY REQUIREMENTS Completion of an undergraduate degree in a non-accounting discipline or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Recognised by Certified Practising Accountants Australia (CPA Australia) and Chartered Accountants Australia and New Zealand.		

“After returning to Vietnam, I got a job in a subsidiary company of Petrol Vietnam and then moved to a Canadian oil and gas company that was subsequently taken over by Repsol. Having good English gave me the chance to work with international companies, and the skills that I learnt in my MBA – creative thinking, financial management and economic analysis – have played a crucial role in my work.”

Do Thanh Tuan, Vietnam
Master of Business Administration graduate

Education and Early Childhood

Shape a new generation

Few careers are as rewarding or crucial as teaching. But shaping young minds in a time of rapid social and technological change has its own set of challenges – where only the most confident, passionate and dedicated teachers can make a difference in the community.

These are the kind of people we aim to inspire. It's reflected in the level of support we offer and the dynamic nature of our education and early childhood degrees, all of which nurture critical and creative thinking, drive and collaboration – and importantly – the capacity to bring out the best in others.

As you study, you'll benefit from our close connections with regional educational institutions, ensuring a diverse and rewarding range of placement opportunities. And you'll enjoy our engaged teaching course, which incorporates Work Integrated Learning, internships, professional placements, international opportunities and community projects to enrich your experience.

"I've done three work placements so far; the standards are high, and they've all been really enjoyable. I found work as an early childhood educator when I arrived in Ballarat, and I've really noticed a big improvement through implementing everything I've learnt on the course."

Monisha Dang, India
Master of Teaching (Early Childhood)

Our professional recognition

To shape the next generation of teachers, it's important that our qualifications stand up in the industry. You'll find that many of our courses are either recognised or accredited by leading bodies and institutions, at state and national levels. These include the Australian Children's Education and Care Quality Authority (ACECQA), Australian Institute of Teaching and School Leadership (AITSL), and Victorian Institute of Teaching (VIT).

Bachelor of Education (Early Childhood and Primary)

Gain the skills and knowledge to be a confident teacher from pre-school through to Year 6. Learn exactly what type of teacher you are and how to use your unique skills - you may choose to work with children with disabilities or support those who are disengaged with learning. You will undertake 110 days of supervised teaching placement in both early childhood and primary settings. In addition you may participate in voluntary overseas placements.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February, July
DURATION 4 years	CRICOS 097978F	ANNUAL FEE \$24,600
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 7.0, with no band less than 7.5 in listening and speaking and no less than 6.5 in reading and writing or equivalent.		
EXTRA REQUIREMENTS Visit study.federation.edu.au for details.		
PROFESSIONAL RECOGNITION Australian Institute of Teaching and School Leadership (AITSL), Australian Children Education and Care Quality Authority (ACECQA), Victorian Institute of Teaching (VIT).		

Bachelor of Education (Early Childhood Education)

Become a confident and qualified early childhood teacher with Federation University. You may be working in the early childhood field and want to upskill, straight out of school or changing careers. You will discover how young children learn and how you can develop and support their learnings in these critical early years. This is a hands-on course that will get you into the classroom for a minimum of 80 days of supervised teaching placement so you can put into practice what you have learnt. You will develop the skills to teach in a variety of early education settings which may include kindergartens, pre-schools and long day care centres, including those in special needs settings.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne)		INTAKE February
DURATION 4 years	CRICOS 102485C	ANNUAL FEE \$24,600
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 6.5, with no band less than 6.0 or equivalent.		
EXTRA REQUIREMENTS Visit study.federation.edu.au for details. Students must prove they meet the English language requirement as determined by the Victorian Institute of Teachers (VIT) and/or ACECQA to be eligible for registration.		
PROFESSIONAL RECOGNITION Australian Children's Education and Care Quality Authority (ACECQA)		

Bachelor of Education (Primary)

Learn how to engage children in innovative and purposeful learning. Along with the compulsory education courses, select primary specialisation from: Maths, Science, English and Inclusive Education with a focus on English, Science or Mathematics. You will complete a minimum of 80 days of supervised teaching practice during the four years of your degree and be qualified to teach primary students up to Year 6.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February
DURATION 4 years	CRICOS 089465J	ANNUAL FEE \$24,600
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 7.0, with no band less than 7.5 in listening and speaking and no less than 6.5 in reading and writing or equivalent.		
EXTRA REQUIREMENTS Visit study.federation.edu.au for details.		
PROFESSIONAL RECOGNITION VIT (Victorian Institute of Teaching)		

Bachelor of Education Studies

If you did not meet the entry requirements to commence a teaching degree, this course is for you. At the completion of first year, you may be eligible to apply for a transfer into the second year of a Federation teaching degree. This means that you may still qualify as a VIT registered teacher within 4 years of study. Otherwise continue this course and qualify to work in many roles as an Education Officer, Project Officer or Education Support Officer (Integration Aide) working to support students within a school setting. You will complete a total of 40 placement hours during the degree.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February, July
DURATION 3 years	CRICOS 091968A	ANNUAL FEE \$24,600
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses; or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
EXTRA REQUIREMENTS Visit study.federation.edu.au for details.		
PROFESSIONAL RECOGNITION Please note you will not be eligible for VIT registration upon completion of this degree. If you are wanting to become a registered teacher with VIT you would need to transfer to one of the other Bachelor of Education degrees.		

Bachelor of Outdoor and Environmental Education

Now is a great time to learn leadership, teaching and people skills to educate students about the outdoors and the environment. This course has a blend of hands-on and theoretical work, with subjects including outdoor leadership, community and bush environments, and coastal environments. You can also choose to major in tourism, human behaviour or conservation science. Perhaps you'll work in resorts, councils or community organisations. And maybe you'll start your own ecotourism company. You will complete a total of 200 placement hours during the degree.

LOCATION Mt Helen (Ballarat), Churchill (Gippsland)		INTAKE February, July
DURATION 3 years	CRICOS 085612B	ANNUAL FEE \$28,500
ENTRY REQUIREMENTS Successful completion of Australian Year 12 or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Outdoors Victoria (OV), Outdoor Education Australia (OEA)		

Bachelor of Secondary Education

Become an engaging, motivating and innovative secondary school teacher. You will gain a deep knowledge of two specialist teaching areas combined with 80 days of teaching placement. You will graduate with the confidence to connect with young people and teach from Year 7 through to Year 12. You will have the option of two streams to complete your degree – you can choose a major and minor or a double major across a variety of areas including Humanities, Art, English, Science, History, Psychology, Mathematics, Information Technology and Media Studies.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February
DURATION 4 years	CRICOS 106091M	ANNUAL FEE \$24,600
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 7.0, with no band less than 7.5 in listening and speaking and no less than 6.5 in reading and writing or equivalent.		
EXTRA REQUIREMENTS Visit study.federation.edu.au for details.		
PROFESSIONAL RECOGNITION Outdoors Victoria (OV), Outdoor Education Australia (OEA)		

Bachelor of Secondary Education (Health and Physical Education Teaching)

This degree combined with 80 days of teaching placement will prepare you to become a health and physical education. You will have the opportunity to make a difference by giving young people in Year 7 to Year 12 the knowledge and tools to lead healthy and active lives. Areas of study include exercise physiology, biomechanics, motor development, learning fundamentals, foundations of health and physical education, health and human development, nutrition, physical activity, creative movement, applied sports science, contemporary curriculum design, pedagogy and assessment for teaching and learning in health and physical education. You will also choose a second teaching method from English, History, Mathematics, Psychology, Science and Outdoor education.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February
DURATION 4 years	CRICOS 106092K	ANNUAL FEE \$24,600
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 7.0, with no band less than 7.5 in listening and speaking and no less than 6.5 in reading and writing or equivalent.		
EXTRA REQUIREMENTS Visit study.federation.edu.au for details.		

Bachelor of Sport, Physical and Outdoor Education

Share your passion for being active, sport and the outdoors with others. During this degree, you'll learn leadership, teaching and people skills and put these into practice in a variety of settings. Your subjects are a blend of hands-on and theoretical work, and include outdoor leadership, fundamental movement, exercise physiology and fitness, swimming and water safety, biomechanics, outdoor living and travel skills and human development and nutrition. You will also complete 150 days of placement during the degree, providing a strong foundation for a rewarding career in the sport and recreation and outdoor education industries.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February, July
DURATION 3 years	CRICOS 106308K	ANNUAL FEE \$24,600
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses; or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Victorian Institute of Teaching (VIT), Australian Council for Health, Physical Education and Recreation (ACHPER)		

Courses, costs and locations are subject to variation.
For the most up to date information, visit study.federation.edu.au

Graduate Certificate in Education Studies

This course focuses on subjects that explore teaching and learning in local and global contexts, the purpose of education, feedback, assessment and reporting, and the examination of how children and young people's learning can be supported in diverse learning settings.

LOCATION Mt Helen (Ballarat), Churchill (Gippsland)		INTAKE February
DURATION 0.5 year	CRICOS 0100899	ANNUAL FEE \$13,200
ENTRY REQUIREMENTS Successful completion of 3 year Diploma of Education, 3 year Bachelor of Education Studies or a non-cognate Bachelor Degree. Academic IELTS with an overall score of 6.5, with no band less than 6.0 or equivalent.		

Master of Teaching (Early Childhood)

Build on your undergraduate degree to become a confident kindergarten teacher. You will graduate from this degree with the confidence and skills to teach in Pre-Schools throughout Australia and overseas. This is a hands-on course that will get you into the classroom for a minimum of 60 days where you can put into practice what you have learnt. You will discover how young children learn and how you can develop and support their learning prior to school settings, with a focus on nature pedagogy. You'll look at examples from around the world and learn how to best work with children from diverse backgrounds.

LOCATION Mt Helen (Ballarat)		INTAKE February, July
DURATION 2 years	CRICOS 0100320	ANNUAL FEE \$26,400
ENTRY REQUIREMENTS Successful completion of a recognised 3-year bachelor degree or equivalent. Academic IELTS with an overall score of 7.0, with no band less than 7.5 in listening and speaking and no less than 6.5 in reading and writing or equivalent OR Successful completion of two years full-time equivalent study at a recognised Australian university within the past two years.		
EXTRA REQUIREMENTS Visit study.federation.edu.au for details. Students must prove they meet the English language requirement as determined by the Australian Children's Education and Care Quality Authority.		
PROFESSIONAL RECOGNITION ACECQA (Australian Children's Education and Care Quality Authority).		

"Federation University provides excellent resources, opportunities and practical strategies to help me build confidence as a teacher. I've had placements or observation classes at different schools, and I've just completed a 20-day placement at Phoenix Community College, which was an amazing experience. The teachers were all so welcoming and helpful, and they gave me great inspiration about how to make classes engaging."

Tran My Tran, Vietnam
Master of Teaching (Secondary)

Master of Teaching (Primary)

This postgraduate course will help you take your skills from your undergraduate degree to become a teacher. You'll graduate from this degree with the confidence and skills to teach in primary schools across Australia and overseas. It's a hands-on course that gets you out into the classroom for a minimum of 60 days, where you can put what you've learnt into practice. You'll discover how children learn and how you can help to develop and support their learning. You'll look at examples from around the world, and learn how to best work with children from diverse backgrounds.

LOCATION Mt Helen (Ballarat)		INTAKE February
DURATION 2 years	CRICOS 103251B	ANNUAL FEE \$26,400
ENTRY REQUIREMENTS Successful completion of a recognised 3-year bachelor degree or equivalent. Academic IELTS with an overall score of 7.0, with no band less than 7.5 in listening and speaking and no less than 6.5 in reading and writing or equivalent.		
EXTRA REQUIREMENTS Visit study.federation.edu.au for details. Students must prove they meet the English language requirement as determined by the Victorian Institute of Teachers (VIT) and/or ACECQA to be eligible for registration.		
PROFESSIONAL RECOGNITION Victorian Institute of Teaching (VIT)		

Master of Teaching (Secondary)

Develop the skills, understandings and dispositions for effective teaching. Coursework is linked to the Australian Graduate Teaching Standards and provides you with regular classroom observations, practitioner inquiries linked to personal goals, regular opportunities to develop core teaching practices, and the support of professional learning communities. You will also participate in 60 days of placement throughout the degree. Our course is small and people-centred, providing the ideal learning environment to become a teacher equipped to make a difference.

LOCATION Mt Helen (Ballarat)		INTAKE February
DURATION 2 years	CRICOS 097878K	ANNUAL FEE \$26,400
ENTRY REQUIREMENTS Successful completion of a recognised 3-year bachelor degree or equivalent. Academic IELTS with an overall score of 7.0, with no band less than 7.5 in listening and speaking and no less than 6.5 in reading and writing or equivalent.		
EXTRA REQUIREMENTS Visit study.federation.edu.au for details. Students must prove they meet the English language requirement as determined by the Victorian Institute of Teachers (VIT) and/or ACECQA to be eligible for registration.		
PROFESSIONAL RECOGNITION Victorian Institute of Teaching (VIT)		

"On my second teaching placement at Mt Clear College in Ballarat, my mentor retired and the school offered me a job. When I started, I already felt so familiar with the school environment and the up-to-date practical theories. Since then, so many opportunities have opened up for me and my students. I organised a China visit for my Year 9 students, and we took a koala and panda toy on the trip."

Jun Wang, China
Master of Teaching (Secondary) graduate

Engineering

Build a better future

Wind turbines that reduce global warming. Robots that rove the surface of Mars. Underwater tunnels that connect different countries. Engineers build extraordinary things. And with a qualification from Federation University, you can too.

With so many areas of engineering to pursue, our undergraduate degrees focus on flexibility. In your first year, you'll gain a solid foundation in our engineering courses, and from second year, progress to a specialist stream in Civil, Electrical and Information, Mechanical, Mechatronic Systems or Mining Engineering. You'll have the opportunity to gain practical experience through industry placements too, giving you real-world experiences so you'll be work-ready when you graduate.

Industry accreditation

Accredited by Engineers Australia, the trusted accreditation authority for engineering education in Australia and overseas, our degrees are recognised internationally for producing graduates who are equipped with relevant and up-to-date skills.

Bachelor of Engineering (Civil) (Honours)

Learn to prevent flooding, design irrigation systems and build multi-storied buildings whilst acquiring problem-solving and analytical skills. Choose your specialisation in structural engineering, geotechnical engineering, transport engineering, water engineering or infrastructure management. Throughout the degree you will participate in 480 hours of placement across 12 weeks.

LOCATION Mt Helen (Ballarat), Churchill (Gippsland)		INTAKE February, July
DURATION 4 years	CRICOS 085617G	ANNUAL FEE \$29,200
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

Bachelor of Engineering

(Electrical and Information Engineering) (Honours)

Develop in-depth knowledge and skills across electrical and information engineering. The course covers key areas of the electrical, electronic and computer domains through programming, data science, data analytics, cybersecurity of physical systems, imaging, artificial intelligence and communication engineering. Students will access sophisticated electrical engineering software (ETAP), a comprehensive analysis platform for design, simulation, operation and automation. Throughout the degree you will participate in 480 hours of placement across 12 weeks.

LOCATION Mt Helen (Ballarat)		INTAKE February, July
DURATION 4 years	CRICOS 0100639	ANNUAL FEE \$29,200
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

Courses, costs and locations are subject to variation.
For the most up to date information, visit study.federation.edu.au

Bachelor of Engineering (Mechanical) (Honours)

Become a professional engineer who is an expert in planning, design and management. Invent new products, design innovative machines and change the way humans interact with mechanics. Learn about electric circuits and machines, thermodynamics and industrial robots. In your final year, pursue your interest by choosing a research project to advance your skills and knowledge. Throughout the degree you will participate in 480 hours of placement across 12 weeks.

LOCATION Mt Helen (Ballarat)		INTAKE February, July
DURATION 4 years	CRICOS 085618G	ANNUAL FEE \$29,200
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

Bachelor of Engineering (Mining) (Honours)

Mine in a sustainable and safe way and learn the social and political aspects that will impact your career. Study mineral deposit evaluation and processing, underground production systems, mine power and services, surface mining operations and mine environment and safety. Launch your career in design, planning, operations or management, in government and private organisations, mining companies and consulting firms. Throughout the degree you will participate in 480 hours of placement across 12 weeks.

LOCATION Mt Helen (Ballarat)		INTAKE February, July
DURATION 4 years	CRICOS 085619F	ANNUAL FEE \$29,200
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

Graduate Certificate in Community Energy and Micro-Grid

Learn about the complex nature of renewable energy sources, energy storage, community microgrids, emerging technologies, and energy project management. This degree will equip you with the knowledge and skills to progress your career in the energy sector.

LOCATION Mt Helen (Ballarat), Online/Off-campus		INTAKE July
DURATION 0.5 Year	CRICOS 104935K	ANNUAL FEE \$14,600
ENTRY REQUIREMENTS A recognised three year degree in science engineering or equivalent in relevant specialisation awarded by an Australian university or a recognised overseas equivalent; or A recognised diploma in science engineering or equivalent in relevant specialisation with credit average awarded by an Australian university or a recognised overseas equivalent and with appropriate level of relevant industry experience. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		

Graduate Certificate in Maintenance Management

Gain knowledge in manufacturing processes, transport, power generation and industrial, commercial and civic building operations. Embrace leadership and management techniques, maintenance strategies and asset operations optimisation.

LOCATION Online/Off-campus	INTAKE February, July	CRICOS Online
DURATION 1 year part time (60 credit points = 0.5 EFTSL)		ANNUAL FEE \$14,600
ENTRY REQUIREMENTS A three-year degree in engineering science applied science or appropriate degree program or at least three years of high-level experience and successful completion of two subjects on a non-award basis selected from the Master of Maintenance and Reliability Engineering course offerings. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

Graduate Certificate in Reliability Engineering

Designed primarily for the graduate engineer and delivered online, this mathematically based course covers technical aspects of engineering, focusing on reliability and availability of systems. You will study quality control, design and data analysis, as well as designing reliability into safety critical systems.

LOCATION Online/Off-campus	INTAKE February, July	CRICOS Online
DURATION 1 year part time (60 credit points = 0.5 EFTSL)		ANNUAL FEE \$14,600
ENTRY REQUIREMENTS A three-year degree in engineering science applied science or appropriate degree program or at least three years of high-level experience and successful completion of two subjects on a non-award basis selected from the Master of Maintenance and Reliability Engineering course offerings. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

Graduate Diploma of Engineering Maintenance Management

Gain knowledge in manufacturing processes, transport, power generation and industrial, commercial and civic building operations. Embrace leadership and management techniques, maintenance strategies and asset operations optimisation.

LOCATION Online/Off-campus	INTAKE February, July	CRICOS Online
DURATION 2 years part time (120 credit points = 1.0 EFTSL)		ANNUAL FEE \$29,200
ENTRY REQUIREMENTS A recognised degree in Engineering or a related area together with at least two years of work experience or completion of the Graduate Certificate in Maintenance Management or the Graduate Certificate in Reliability Engineering. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

Graduate Diploma of Mining

This course was created with the working engineer in mind. Expected to appeal particularly to civil, mechanical, electrical, chemical and construction, geologists, metallurgists, surveyors and other professionals. Study areas include engineering physics, modelling and change, mine surveying, production drilling and blasting, tunnelling and mine development.

LOCATION Mt Helen (Ballarat), Online/Off-campus		INTAKE February, July
DURATION 2 years	CRICOS 085622M	ANNUAL FEE \$21,900
ENTRY REQUIREMENTS Successful completion of a recognised 3-year Australian bachelor degree or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
EXTRA REQUIREMENTS Applicants must complete and submit Additional Details Form. Refer study.federation.edu.au for full details.		
PROFESSIONAL RECOGNITION AusIMM.		

Master of Engineering Project Management

Gain knowledge and skills in project execution and resource planning. Learn more about contracts and costing, business analysis and decision making, human and financial resources, risk and research methodology. You will also undertake independent research in your final year.

LOCATION Mt Helen (Ballarat)		INTAKE February, July
DURATION 2 years	CRICOS 0100640	ANNUAL FEE \$29,200
ENTRY REQUIREMENTS Successful completion of a recognised 3 or 4 year engineering bachelor degree with credit average awarded by an Australian university or a recognised overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

Master of Engineering Technology (Civil Engineering)

Progress your career with studies in civil engineering. Civil Engineers are responsible for the design and construction of all types of structures including single to multi-storied buildings, roads, dams, bridges, pipelines, towers, harbours, airports and railways. Civil engineers also plan, design and test the infrastructure associated with transport, gas supply, water supply and sewerage systems. This professionally orientated course provides students with the knowledge and skills that are necessary to obtain employment as a professional engineer as well as gain membership to Engineers Australia.

LOCATION Mt Helen (Ballarat)		INTAKE February, July
DURATION 2 years	CRICOS 079924C	ANNUAL FEE \$29,200
ENTRY REQUIREMENTS Successful completion of a recognised 3 or 4 year Engineering bachelor degree in the relevant specialisation (major field) with credit average awarded by an Australian university or a recognised overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

Master of Engineering Technology (Mechanical Engineering)

Progress your career with advanced studies in mechanical engineering. This professionally orientated course provides students with the knowledge and skills that are necessary to obtain employment as a professional engineer as well as gain membership to Engineers Australia. You will also undertake independent research in your final year.

LOCATION Mt Helen (Ballarat)		INTAKE February, July
DURATION 2 years	CRICOS 079927M	ANNUAL FEE \$29,200
ENTRY REQUIREMENTS Successful completion of a recognised 3 or 4 year Engineering bachelor degree in the relevant specialisation (major field) with credit average awarded by an Australian university or a recognised overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

Master of Engineering Technology (Mechatronics and Industrial Automation)

This course provides a balance in knowledge and skills between the three key areas of mechanical, electrical, and computer engineering, with a strong focus on project-based and multidisciplinary learning. You will also undertake independent research in your final year.

LOCATION Churchill (Gippsland)		INTAKE February, July
DURATION 2 years	CRICOS 106472J	ANNUAL FEE \$29,200
ENTRY REQUIREMENTS Successful completion of a recognised 3 or 4 year engineering bachelor degree with credit average awarded by an Australian university or a recognised overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

Master of Engineering Technology (Mining Engineering)

Progress your career with advanced studies in mining engineering. This professionally orientated course provides students with the knowledge and skills that are necessary to obtain employment as a professional engineer as well as gain membership to Engineers Australia. You will also undertake independent research in your final year.

LOCATION Mt Helen (Ballarat)		INTAKE February, July
DURATION 2 years	CRICOS 079928K	ANNUAL FEE \$29,200
ENTRY REQUIREMENTS Successful completion of a recognised 3 or 4 year Engineering bachelor degree in the relevant specialisation (major field) with credit average awarded by an Australian university or a recognised overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Engineers Australia.		

“During the summer vacation, I was involved in a placement at an engineering construction company for 12 weeks which I enjoyed very much.

In my final year, I was lucky enough to be a sessional tutor for structural designing. So I was able to work with my fellow lecturers as a tutor and that experience led me to become a graduate structural engineer at Cardno TGM in Ballarat. The company specialises in the approval, design and completion of urban development, building and infrastructure projects.”

Shalinka Fernando, Sri Lanka Bachelor of Engineering Technology (Civil) (Honours) graduate

Master of Engineering Technology (Renewable Energy and Electrical Power Systems)

This course covers key areas of electrical circuits, signals and systems, energy conversion, power electronics, power systems, electrical power distribution and protection systems, control systems and renewable energy. Learn more about sensors, artificial perception, and the Internet of Things (IoT) in smart energy systems. In your final year, undertake your own independent research project, relevant to your area of specialisation.

The Mt Helen Campus will host Australia’s first renewable energy wind turbine training tower, with construction commencing in July 2021.

Specialised facilities

Our \$43m Science and Engineering precinct at the Mt Helen Campus provides a world-class learning, teaching and research facility in a regional centre. The precinct includes 8,600m² of high-tech laboratories, engineering workshops and facilities over three levels, providing an inspirational learning environment. The building was purpose-built to be environmentally friendly, with solar panels, capability for natural cooling and external light maximised throughout.

Equally impressive are our new classrooms, new laboratories and new robotics and mechatronics facilities at the Gippsland Campus (Churchill). All specifically designed to best facilitate hands-on experience and skill development.

Health Make a real difference

Few careers are as rewarding as being a nurse or other health professional. Working in an evolving health sector, you'll be helping improve lives in the most fundamental ways.

To prepare you as much as possible for working out in the field, we take a hands-on approach. Combining real-world experience with online learning, we equip you with the skills and knowledge needed to provide the highest quality of care.

Specialised facilities

Our Clinical Simulation Precincts provide state-of-the-art facilities that enable you to apply and develop your practical clinical skills. The purpose-built clinical units give you the opportunity to undergo simulated learning based on real-life clinical scenarios, with the capacity to record your involvement for future reflection and critical analysis. Our High Fidelity Units enable controlled simulation of high level complex scenarios requiring various levels of critical care, while our Simulated Home Environment Learning Space allows you to imagine you're treating a patient in the comfort of their own home.

Bachelor of Nursing

Learn to deliver the highest quality care that is evidence based to improve your patients' outcomes. Subjects include working with diverse communities, mental health, medical and surgical nursing and palliative care. You may choose to work in emergency illness, mental health, long-term care, intercultural health or population health. As part of your degree, you will complete a minimum of 800 hours of clinical placement. These placements take place in a variety of healthcare settings.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)	INTAKE February
DURATION 3 years	CRICOS 088144A
ANNUAL FEE \$30,900	
ENTRY REQUIREMENTS Successful completion of Australian Year 12 or overseas equivalent with one final year course in either Mathematics, Biology, Chemistry or Physics. Academic IELTS with an overall score of 7.0 with no individual band less than 7.0 or equivalent. Please note: meeting minimum requirements does not guarantee entry as places are limited. Towards the end of your degree you may apply for professional recognition to work as a nurse in Australia. You must prove you meet the English language skills as determined by the NMBA.	
EXTRA REQUIREMENTS Working with children check; Police Record Check; Evidence of current immunisation status. Students must purchase a uniform and nursing kit; available on campus; in the first semester of study.	
PROFESSIONAL RECOGNITION Australian Nursing and Midwifery Accreditation Council (ANMAC), Australian Health Practitioner Registration Authority (AHPRA), Nursing and Midwifery Board of Australia (NMBA)	

"The Bachelor of Nursing was fantastic. The lecturers were so supportive and the facilities on campus are excellent, just like being in a hospital. I had some wonderful experiences on my placements, working in major hospitals and small regional clinics, giving me a great range of opportunities to increase my knowledge. I'm really happy that I chose Federation, and I'm excited about my nursing career and all the opportunities that are now available."

Jing Xiang, China
Bachelor of Nursing graduate 2019
Registered Nurse, Ballarat Health Services

Graduate Certificate in Health (Health Leadership)

During the Graduate Certificate in Health (Health Leadership), you'll develop knowledge and skills that can be applied directly into a health practice area. Specific areas of study include influencing health policy, global health determinants and contemporary issues in health services management.

LOCATION Online/Off-campus	INTAKE February, July
DURATION 0.5 year	CRICOS Online
ANNUAL FEE \$11,350	
ENTRY REQUIREMENTS Successful completion of an Australian Bachelor degree or overseas equivalent. Academic IELTS with an overall score of 7.0 with no band less than 6.5 or equivalent.	

Courses, costs and locations are subject to variation.
For the most up to date information, visit study.federation.edu.au

Graduate Certificate in Health (Health Services Management)

With a focus on safety and quality, learn how policy, leadership and strategic management each play a central role. Engage with contemporary global debates and developments in evidence-based leadership, and receive support to develop an understanding and expertise in your own specific area of professional interest.

LOCATION Online/Off-campus		INTAKE February, July
DURATION 0.5 year	CRICOS Online	ANNUAL FEE \$11,350
ENTRY REQUIREMENTS Successful completion of an Australian Bachelor degree or overseas equivalent. Academic IELTS with an overall score of 6.5 with no band less than 6.0 or equivalent.		

Graduate Certificate in Health (Workplace Health & Safety)

Develop, implement and evaluate WH&S interventions by utilising strong evidence based practice. You'll focus on practice and risk as well as regulations, systems and complexity.

LOCATION Online/Off-campus		INTAKE February, July
DURATION 0.5 year	CRICOS Online	ANNUAL FEE \$11,350
ENTRY REQUIREMENTS Successful completion of an Australian Bachelor degree or overseas equivalent. OR an Australia Diploma or Advanced Diploma in OH&S plus at least two years OH&S experience in a workplace; OR at least three years OH&S management experience. Academic IELTS with an overall score of 6.5 with no band less than 6.0 or equivalent.		

Graduate Certificate in Public Health

This Graduate Certificate will provide you with enhanced skills to pursue a career in public health. Gain the knowledge and skills in relation to public health principles, values, ethics, research and practice for improving population health status locally and internationally.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland), Brisbane (Queensland), Online/Off-campus			
INTAKE February, July	DURATION 0.5 year	CRICOS 102484D	ANNUAL FEE \$11,350
ENTRY REQUIREMENTS Successful completion of Australian 3 year Bachelor degree or overseas equivalent; or Australian Advanced Diploma with at least two years public health related work experience. Academic IELTS with an overall score of 6.5 with no band less than 6.0 or equivalent.			

Graduate Diploma of Health (Health Leadership)

The Graduate Diploma of Health (Health Leadership) will provide you with knowledge and skills that can be applied directly into a health practice area. In semester one you'll learn about influencing health policy, global health determinants and contemporary issues in health services management. In semester two you'll study research methods for health and inquiry and analysis of literature.

LOCATION Online/Off-campus		INTAKE February, July
DURATION 1 year	CRICOS Online	ANNUAL FEE \$22,700
ENTRY REQUIREMENTS Successful completion of an Australian Bachelor degree or overseas equivalent. Academic IELTS with an overall score of 7.0 with no band less than 6.5 or equivalent.		

Graduate Diploma of Health (Health Services Management)

With a focus on safety and quality, learn how policy, leadership and strategic management each play a central role. Engage with contemporary global debates and developments in evidence-based leadership. In second semester you will focus on health research methods and literature analysis to develop an understanding and expertise in your own specific area of professional interest.

LOCATION Online/Off-campus		INTAKE February, July
DURATION 1 year	CRICOS Online	ANNUAL FEE \$22,700
ENTRY REQUIREMENTS Successful completion of an Australian Bachelor degree or overseas equivalent. Academic IELTS with an overall score of 6.5 with no band less than 6.0 or equivalent.		

Graduate Diploma of Health (Workplace Health & Safety)

Develop, implement and evaluate WH&S interventions by utilising strong evidence based practice. Semester one focuses on practice and risk as well as regulations, systems and complexity. Semester two incorporates core subjects on organisational effectiveness and research skills.

LOCATION Online/Off-campus		INTAKE February, July

ENTRY REQUIREMENTS Successful completion of a 3 year Australian Bachelor degree or overseas equivalent; or other university qualification and appropriate industry experience. You may exit the program at 12 months and receive a Graduate Diploma of Public Health (CRICOS code 102483E) following the completion of 120 credit points or exit the program at 6 months and receive a Graduate Certificate in Public Health (CRICOS code 102484D) following the completion of 60 credit points. Academic IELTS with an overall score of 6.5 with no band less than 6.0 or equivalent.			

Humanities, Social Sciences, Criminology and Social Work

Improve the way we live

What makes us human? Why do we behave the way we do? How can we use what we learn to tackle pressing issues, help others lead better lives, or change the way we engage with each other?

The arts, humanities and social sciences ask the big questions, diving deep into the contours of human cultures and societies, both past and present. And they do so from a wide range of angles – politics, history, sociology, criminology, literature, media, and social welfare (just to name a few).

Through our courses, you'll learn the critical and creative thinking, problem solving, research and analysis, and communication skills employers look for in today's fast-changing world – in a range of careers across a number of industries.

"Federation University has lots to offer to its international students. Great teaching, great support and great industry placements. I did two placements in Social Work, one in community development and the other in a mental health setting. It was only because of my degree that I was able to find work. All credit goes to my course and Federation University for letting me become a social worker."

Preeti Vaswani, India
Master of Social Work (Qualifying) graduate

Information Technology

Drive change at the cutting-edge

Drive change at the cutting-edge with continuous advances in information technology, the opportunities to progress in areas such as health, transport, finance, entertainment, science, energy, education and manufacturing are virtually limitless.

Thanks to our impressive breadth of content, an IT qualification from Federation University will give you the advanced skills, knowledge and confidence to work across all these sectors.

Study with us and you'll also benefit from our strong connections and industry placement programs – designed to give you the support and experience you need to either get started or rise up in one of the most progressive industries in the world.

Industry accreditation

Our IT degrees and specialisations have been developed alongside trends and changes in the industry and in accordance with the Australian Computer Society's accreditation standards.

Technology Park

We have the largest Technology Parks of any university in Australia at our Ballarat campuses, hosting more than 64 enterprises, including global companies such as IBM. The new Morwell Innovation Centre near our Gippsland Campus is a hub for business and industry to collaborate. These Tech Parks foster research partnerships and give our students access to internships, industry-based learning programs and graduate employment opportunities.

“My degree was a great experience, especially the IBM internship. I worked at IBM around 15 hours a week. I focused on technical support and hardware monitoring, and the subjects I studied in my degree were closely related to the work. For example, Federation has a unique module in Mainframe Systems and Services, and I was able to use my theoretical skills on the IBM mainframe itself.”

Hoang Nguyen, Vietnam
Bachelor of Information Technology (Professional Practice)

Professional Practice

International students who achieve highly in the first year of one of our Bachelor of IT degrees can apply to transfer to the Bachelor of IT (Professional Practice) course in their second year. This four year degree includes extensive internships at IBM offices in the Ballarat Technology Park. Successful applicants receive a scholarship over \$42,000 over their final two years and graduate with valuable, hands on industry experience and an established network of industry contacts. Fast track options to complete over three or three and a half years are available.

“My intern role at IBM required me to communicate with a range of different people, which really improved my communication and teamwork skills. It was a fun work environment, and my team were always happy to teach me new things I was finding difficult. I also had the opportunity to use new technologies and develop my technical and problem-solving skills.

The Professional Practice program experience enabled me to meet new people in my field and experience the IT industry and Australian business culture first-hand. With the skills and knowledge I've gained at Federation, I'm definitely in the right place and on the right path to achieve my dreams.”

Bachelor of Information Technology

Develop strong communication, academic and problem solving skills – critical attributes for success in the IT sector. Learn programming skills to facilitate smooth communication with software developers, explore web design, systems modelling and user experience. Participate in our professional engagement course for the opportunity to network and enhance your knowledge of the IT industry.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland), Brisbane (Queensland), Online/Off-campus			
INTAKE February, July, November	DURATION 3 years	CRICOS 074009A	ANNUAL FEE \$24,700
ENTRY REQUIREMENTS Successful completion of Australian Year 12 or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 5.5 or equivalent.			
PROFESSIONAL RECOGNITION Australian Computer Society (ACS).			

Bachelor of Information Technology (Big Data and Analytics)

There is a real need for people who have the skills to identify, interpret and analyse trends from collected data. Study areas such as information and data analysis, allowing you to discover and quantify patterns using statistics, statistical inference, regression analysis and machine learning. Develop technical knowledge on a range of topics including statistics, statistical inference, high performance computing and visualisation.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne)		INTAKE February
DURATION 3 years	CRICOS 092056M	ANNUAL FEE \$24,700
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 5.5 or equivalent.		
PROFESSIONAL RECOGNITION Australian Computer Society (ACS).		

Bachelor of Information Technology (Business Information Systems)

Harness technology to help organisations achieve a competitive advantage. Develop skills in business processes and study subjects in data and information management, enterprise systems and business intelligence. You'll explore information security, multimedia, knowledge management, databases and emerging technologies in business.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Online/Off-campus			
INTAKE February, July	DURATION 3 years	CRICOS 092106F	ANNUAL FEE \$24,700
ENTRY REQUIREMENTS Successful completion of Australian Year 12 or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 5.5 or equivalent.			
PROFESSIONAL RECOGNITION Australian Computer Society (ACS).			

Bachelor of Information Technology (Networking and Security)

Investigate how security breaches occur, how private information is vulnerable and ways to protect it. Delve into networks, their protocols and hardware and investigate how these systems can be vulnerable to a malicious attack. Learn how to defend business, government and individual's databases which hold sensitive data.

LOCATION Mt Helen (Ballarat), Online/Off-campus		INTAKE February, July
DURATION 3 years	CRICOS 092055A	ANNUAL FEE \$24,700
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 5.5 or equivalent.		
PROFESSIONAL RECOGNITION Australian Computer Society (ACS).		

Bachelor of Information Technology (Professional Practice)

Combine study and practical industry experience. Receive a scholarship over \$42,000 over the final two years of this degree as you study and undertake 1600 hours of work integrated learning with IBM® in Ballarat. Second and third year subjects are aligned with your agreed industry focus area in either software development, cloud or mainframe. This is a four year degree however fast track options are available and encouraged.

LOCATION Mt Helen (Ballarat)		INTAKE February
DURATION 4 years	CRICOS 049564D	ANNUAL FEE \$24,700
ENTRY REQUIREMENTS This program is offered to international students by Alternate Entry only. International Students should enrol in the Bachelor of Information Technology and then after one or more semesters with excellent results they may be invited to undertake an interview to transfer into the Bachelor of Information Technology (Professional Practice). Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Australian Computer Society (ACS).		

Bachelor of Information Technology (Software Development)

This degree gives you the opportunity to learn new programming languages, architecture and paradigms to create new software applications. You will complete subjects in dynamic web development, data structures and algorithms and agile coding. Graduates may be involved in software release and post-release activities, including product launches, and implementation roles such as installation, configuration, programming/customisation, integration and data migration.

LOCATION Mt Helen (Ballarat), Online/Off-campus		INTAKE February, July
DURATION 3 years	CRICOS 092108D	ANNUAL FEE \$24,700
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 5.5 or equivalent.		
PROFESSIONAL RECOGNITION Australian Computer Society (ACS).		

Bachelor of Science (Honours)

Undertake a research project, as well as coursework studies in research methodologies and communication. This is a fourth-year course for graduates of science, IT and mathematical science undergraduate degrees. It serves as a prelude to a research higher degree or advanced professional practice in careers that entail complex research work.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February, July
DURATION 1 year	CRICOS 088661B	ANNUAL FEE \$28,200
ENTRY REQUIREMENTS Successful completion of a Bachelor degree in the relevant discipline with a high level of academic achievement, which is normally a distinction average or above in core discipline courses in the second and third year. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		

Graduate Certificate in Enterprise Systems

Understand the role of enterprise systems in digital transformation, including the business value that could benefit organisations, through a combination of theoretical and practical learning, utilising ERPsim games and software from leading enterprise system vendors like SAP - the world's largest enterprise applications software company. Choose between two specialisations, Functional or Developer, based on your interest area and chosen career path.

LOCATION Mt Helen (Ballarat), Online/Off-campus		INTAKE February, July
DURATION 0.5 year	CRICOS 106414H	ANNUAL FEE \$13,250
ENTRY REQUIREMENTS Successful completion of a three-year degree in IT, science, engineering, business (major or minor in IT) or equivalent; or a diploma in IT, science, engineering, business (major or minor in IT) or equivalent, and with the appropriate level of industry experience. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		

Master of Technology (Enterprise Systems and Business Analytics)

This course provides students with an opportunity to gain up to date knowledge and skills to analyse, implement and use Enterprise Systems. Gain a deep understanding of relevant topics and technology such as big data, business analytics, cloud computing, IS security, project management and IT strategy, using cutting edge technologies from leading companies like SAP, IBM, SAS and Teradata.

LOCATION Mt Helen (Ballarat), Brisbane (Queensland), Online/Off-campus			
INTAKE February, July, November	DURATION 2 years	CRICOS 095030G	ANNUAL FEE \$26,500
ENTRY REQUIREMENTS Successful completion of a recognised 3-year Australian bachelor degree or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.			
PROFESSIONAL RECOGNITION Australian Computer Society (ACS).			

Master of Technology (Software Engineering)

Gain specialist knowledge in advanced software engineering techniques. Design, implement and maintain IT systems using a well-informed software engineering approach and create high quality software in a systematic and efficient manner.

LOCATION Mt Helen (Ballarat), Brisbane (Queensland)		INTAKE February, July, November
DURATION 2 years	CRICOS 080497G	ANNUAL FEE \$26,500
ENTRY REQUIREMENTS Successful completion of a recognised 3-year Australian bachelor degree or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION Australian Computer Society (ACS).

Performing Arts, Visual Arts and Design

Share your imagination

Culture enriches our lives. It engages us, provokes us, inspires us and connects us to each other and the communities we live in.

The performing arts, visual arts and design play an important role in this. And as a university globally renowned for its rigorous, visionary and contemporary arts training – so do we.

Our staff will help unleash your curiosity, creativity and imagination. With years of experience, they understand what it takes to make it in the industry and have a successful career – and they'll do everything they can to help you do the same.

Dedicated Arts Academy

The Federation Arts Academy is an exciting creative hub located in the arts precinct of central Ballarat. You'll rehearse and perform in our fully equipped theatres, have access to spacious studios, alongside printmaking and papermaking facilities on campus. Our Gippsland Arts Academy positions you at the cutting edge of contemporary art in well-equipped workshops and studios, and provides a strong link to the contemporary art world.

STUDY TYPE	LOCATION	DURATION (YEARS)	FEES

Courses, costs and locations are subject to variation. For the most up to date information, visit study.federation.edu.au

Bachelor of Performing Arts

Our Arts Academy is renowned for its holistic and multi-disciplinary approach to training contemporary performers. We develop your practice through a comprehensive curriculum that includes classes in acting, singing, voice, movement, dance, creativity, theatre-making, aerobic fitness and mindfulness. As part of your studies you will participate in 8 hours of placement. You will be prepared for a range of career opportunities in television and theatre, music theatre, opera, film, cabaret, comedy and multi-media performance.

LOCATION Camp St (Ballarat)		INTAKE February
DURATION 3 years	CRICOS 0100642	ANNUAL FEE \$27,700
ENTRY REQUIREMENTS Successful completion of Australian Year 12 or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
EXTRA REQUIREMENTS Interview and Audition – refer to study.federation.edu.au		

Bachelor of Visual Arts

You will develop the skills to create your own future in the diverse creative industries. Our Arts Academy has specialised facilities for you to work in ceramics, drawing, printmaking, photography and painting. You will also explore your studio-based practice through workshops of experimentation and self-discovery. As part of your studies you will participate in 8 hours of placement. All intensive teaching staff are practicing artists and designers with outstanding reputations both in Australia and internationally.

LOCATION Camp St (Ballarat), Churchill (Gippsland)		INTAKE February
DURATION 3 years	CRICOS 106032M	ANNUAL FEE \$27,700
ENTRY REQUIREMENTS Successful completion of Australian Year 12 or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0.		
EXTRA REQUIREMENTS Interview and Audition – refer to study.federation.edu.au		

Bachelor of Arts (Creative Arts) (Honours)

This course often serves as a prelude to a higher degree in research or advanced professional practice in careers that entail complex research work. It will prepare individuals for professional or research work in the disciplinary field of their preference by providing training in theory, methodology and epistemology. This Creative Arts stream involves study in ceramics/3D, drawing, printmaking, photography, painting, performance and dance.

LOCATION Camp St (Ballarat), Churchill (Gippsland)		INTAKE February
DURATION 1 year	CRICOS 097880E	ANNUAL FEE \$21,900
ENTRY REQUIREMENTS Successful completion of an Australian undergraduate degree or overseas equivalent with at least a Distinction (or equivalent) average in final year lever courses. Academic IELTS with an overall score of 6.0 with no band less than 6.0.		

"The Acting program has gone above and beyond in exceeding my expectations. What I enjoyed most was the quality of training; the instructors had such a high level of expertise and experience and have really structured the program in such a way so that you can get the most out of it. I also loved my classmates, who were fabulous, creative and brilliant people and the strength of the performing arts programs.

The best aspects of the program are definitely the opportunities to perform both in Ballarat and Melbourne. This ultimately helped us gain external work experience before graduating with practical and technical skills."

Brianna MacDonald, Canada
Bachelor of Arts (Acting) graduate

Psychology Your career in Psychology starts here

Do you want to learn about why people think, feel, and behave the way they do? A degree in Psychology at Federation University will prepare you for a career in psychology and related professions. Our APAC accredited Psychology degrees will support you at each stage of your career development.

When you study Psychology at Federation University, you will acquire the knowledge and skills you need for the career you want. Our study options and smaller class sizes provide the opportunity to learn, develop, and apply skills that will be valuable in your professional and personal lives. This includes oral and written communication, research, and high level problem solving and critical thinking skills.

STUDY TYPE	LOCATION	DURATION (YEARS)	FEES
PSYCHOLOGY			
U Bachelor of Psychological Science	★ Ballarat ★ Berwick ★ Gippsland	3	\$26,100
U Bachelor of Psychological Science (Honours)	★ Ballarat ★ Berwick ★ Gippsland	1	\$26,100

Bachelor of Psychological Science

This foundation course delivers fundamental knowledge, theory and understanding of different aspects of psychology. Explore a range of subjects to examine the complexities of human thought and behaviour, including developmental psychology, cognitive psychology, social psychology, abnormal psychology and personality.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February, July
DURATION 3 years	CRICOS 055553A	ANNUAL FEE \$26,100
ENTRY REQUIREMENTS Successful completion of Australian Year 12 or overseas equivalent. Academic IELTS with an overall score of 7.0 with no band less than 6.5 or equivalent.		
PROFESSIONAL RECOGNITION Australian Psychology Accreditation Council (APAC).		

Bachelor of Psychological Science (Honours)

This degree achieves a balance between general professional, specific practitioner, and research-related skills, comprising specialist study in both professional psychology and psychological research. With a strong research emphasis, you will plan, implement and report on a research project under supervision, in addition to undertaking a number of core subjects (Psychological Practice, Psychological Research, Integrating Research and Practice and Psychological Assessment). The course is for students who wish to engage in research and professional practice in the field of psychology.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February
DURATION 1 year	CRICOS 088971K	ANNUAL FEE \$26,100
ENTRY REQUIREMENTS Australian Psychology Accreditation Council (APAC) accredited; 3 year sequence in psychology and qualified for an Australian undergraduate degree (or overseas equivalent) by the Australian Psychological Society (APS) and meets a minimum grade point average of 6.0 (Distinction) is required. GPA is calculated using ALL attempts (successful and unsuccessful) at second and third year psychology courses only. Academic IELTS with an overall score of 7.0 with no band less than 6.5 or equivalent.		
Please note: meeting minimum requirements does not guarantee entry as each year the number of applicants greatly exceeds the number of places.		
PROFESSIONAL RECOGNITION Australian Psychology Accreditation Council (APAC).

Science Push for progress

Interested in fighting degenerative diseases?
Developing healthier food products?
The birth of our planet?
Assessing humanity's impact on climate change?
Finding out how living things work?

At Federation University, our Science degrees will take you in some truly fascinating directions – be it biomedical, environmental, chemical, animal, nutritional or even veterinary and wildlife science.

Equal parts immersive and practical, you'll build the skills and knowledge you need to break into this ever-changing field. To make sure you're work-ready, you'll be learning in research labs, commercial facilities and field trips, and putting your skills to the test in industry placements.

STUDY TYPE		LOCATION	DURATION (YEARS)	FEES
SCIENCE				
U	Bachelor of Biomedical Science	★ Ballarat ★ Berwick ★ Gippsland	3	\$28,200
U	Bachelor of Environmental and Conservation Science	★ Ballarat ★ Berwick ★ Gippsland	3	\$28,200
U	Bachelor of Geoscience	★ Ballarat	3	\$28,200

U	Bachelor of Sustainable Food Systems	★ Ballarat ★ Gippsland	3	\$28,200
U	Bachelor of Veterinary and Wildlife Science	★ Ballarat ★ Berwick ★ Gippsland	3	\$28,200

Bachelor of Biomedical Science

Biomedicine plays a major role in helping people lead healthier lives. Study lifespan nutrition, microbiology, molecular biology, metabolism and applied biochemistry. Be prepared for a career in a range of health-related industries such as laboratory technology, medical sales, and pharmaceuticals or further study in research or allied health.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February, July
DURATION 3 years	CRICOS 062139A	ANNUAL FEE \$28,200
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with one final year course in Mathematics (any) or one final year course of either Chemistry Biology or Physics or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		

Bachelor of Environmental and Conservation Science

Learn about the management, conservation and rehabilitation of our natural and degraded ecosystems. With a strong focus on the Australian environment, you will explore subject areas such as ecology and wildlife conservation, water and climate, mine site rehabilitation, landscape management and restoration.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February, July
DURATION 3 years	CRICOS 088140E	ANNUAL FEE \$28,200
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with one final year course in Mathematics (any) or one final year course of either Chemistry Biology or Physics or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		

Bachelor of Geoscience

Explore our planet in theory and field experience, using mapping, technology and historical data to build conceptual models, and gain experience in identifying and mitigating natural hazards and learn to extract resources in a sustainable way.

LOCATION Mt Helen (Ballarat)		INTAKE February, July
DURATION 3 years	CRICOS 088139J	ANNUAL FEE \$28,200
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with one final year course in Mathematics (any) and one final year course of either Chemistry Biology or Physics or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		

Bachelor of Science

If you are fascinated by science, this comprehensive degree could be your passport to an exciting future in one of many diverse areas. Tailor this course to your specific career destination and interests. Majors include Biochemistry, Biological Science, Molecular Biology, Behavioural Science, Chemistry, Ecology, Environmental Restoration, Exercise Science, Food Science, Health and Nutrition, Mathematics and Microbiology.

LOCATION Mt Helen (Ballarat), Churchill (Gippsland)		INTAKE February, July
DURATION 3 years	CRICOS 062141G	ANNUAL FEE \$28,200
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with one final year course in Mathematics (any) or one final year course of either Chemistry Biology or Physics or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		

Bachelor of Science (Honours)

Undertake a research project, as well as coursework studies in research methodologies and communication. This is a fourth-year course for graduates of science, IT and mathematical science undergraduate degrees. It serves as a prelude to a research higher degree or advanced professional practice in careers that entail complex research work.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February, July

Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		

Bachelor of Sustainable Food Systems

Food sustainability is the study of food security, health, safety, quality and affordability, influenced by climate change and the environment. This unique degree, developed in collaboration with food industry, contains an embedded Diploma of Food Science and Technology that develops core knowledge and practical skills in food science. In the second half of the degree you will pursue an interest by selecting one of Food Processing or Sustainable Food Production, as well as undertake an industry placement of 200 hours providing valuable and relevant workplace experience.

LOCATION Mt Helen (Ballarat), Churchill (Gippsland)		INTAKE February, July
DURATION 3 years	CRICOS 106562G	ANNUAL FEE \$28,200
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with one final year course in Mathematics (any) or Science (any), or overseas equivalent. Academic IELTS with an overall score of 6.0, with no band less than 6.0 or equivalent.		

Bachelor of Veterinary and Wildlife Science

This degree offers a local and international perspective of animal health science and wildlife conservation. It provides hands-on activities with opportunities to explore local and international animal conservation parks, animal production farms and a third-year work placement. You will learn about diagnostics and treatments for a range of diseases that infect wild and domesticated animals, while studying courses including biochemistry, immunology, microbiology, pathophysiology and animal husbandry. Career pathways include veterinary medicine postgraduate programs, animal health scientists, wildlife officers and keepers.

LOCATION Mt Helen (Ballarat), Berwick (Melbourne), Churchill (Gippsland)		INTAKE February, July
DURATION 3 years	CRICOS 088138K	ANNUAL FEE \$28,200
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with one final year course in Mathematics (any) or one final year course of either Chemistry Biology or Physics or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		
PROFESSIONAL RECOGNITION You will be prepared for further studies in veterinary science to allow you to practice in the field. Past graduates of this course have been successful in gaining graduate entry into veterinary science. Your eligibility will depend on the university and your results.		

Sport, Health, Physical and Outdoor Education

Turn your passion into a career
If you have a talent for motivating and inspiring people – and want to pursue this as your career – our health, sport and physical education qualifications will give you the tools you need to make it happen, anywhere in the world.

At our new state of the art Health and Sports Precinct, our students develop their practical and clinical skills in a high-quality learning environment. Offering the ideal backdrop to extend our world-class research, these facilities also provide sports science students with commercial experience in the student-led clinic and community gymnasium. The updated anatomy and physiology laboratories also supports learning and teaching in health related courses such as exercise science, physical education, nursing, paramedicine and biomedical science.

STUDY TYPE		LOCATION	DURATION (YEARS)	FEES
SPORT, HEALTH, PHYSICAL AND OUTDOOR EDUCATION				
U	Bachelor of Exercise and Sport Science	★ Ballarat	3	\$31,100
U	Bachelor of Health and Physical Education	★ Ballarat ★ Gippsland	4	\$26,700

P	Master of Clinical Exercise Physiology	★ Ballarat	1.5	\$31,100
P	Master of Strength and Conditioning	★ Ballarat	1.5	\$31,100

Bachelor of Exercise and Sport Science

Develop knowledge, instructional and practical skills with core studies in biomechanics, anatomy, physiology, exercise and health whilst pursuing an interest in either applied exercise programming, health or teaching. You will examine key aspects of sport science and learn how to plan, implement and evaluate exercise delivery for healthy and diverse populations. Apply your knowledge and skills through completing 250 placement hours within the industry.

LOCATION Mt Helen (Ballarat)		INTAKE February, July
DURATION 3 years	CRICOS 063657D	ANNUAL FEE \$31,100
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 7.0 with no band less than 7.0 or equivalent.		
PROFESSIONAL RECOGNITION Exercise and Sports Science Australia (ESSA).		

Bachelor of Health and Physical Education

Specialise in health and PE education as well as another teaching method in English, history, maths, psychology, science or outdoor education. Areas of study include exercise physiology, biomechanics, motor development and learning, fundamentals and foundations of health and physical education, health and human development, nutrition, physical activity, creative movement, applied sports science, contemporary curriculum design, pedagogy and assessment for teaching and learning in health and physical education. You will also participate in 640 placement hours across 16 weeks as part of your degree.

LOCATION Mt Helen (Ballarat), Churchill (Gippsland)		INTAKE February
DURATION 4 years	CRICOS 080394C	ANNUAL FEE \$26,700
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with final-year mathematics courses or overseas equivalent. Academic IELTS with an overall score of 7.5 with no band less than 8.0 in speaking and listening and no less than 7.0 in reading and writing.		
PROFESSIONAL RECOGNITION Victorian Institute of Teaching (VIT), Australian Council for Health Physical Education and Recreation (ACHPER).		

Bachelor of International Sport Management

Delivered in partnership with the World Academy of Sport, this online degree combines industry expertise with practical academic insights. Gain access to exclusive case studies and interviews from world leaders in sport management and become a future sport leader with 21st century skills. As part of your degree, second year students will complete 150 hours of placement. Students in their third and final year will complete a minimum of 280 hours of placement, or up to 560 hours in the internship course if eligible.

LOCATION Online/Off-campus		INTAKE February, July
DURATION 3 years	CRICOS Online	ANNUAL FEE \$18,000
ENTRY REQUIREMENTS Successful completion of Australian Year 12 with at least Year 11 Mathematics; or overseas equivalent. Academic IELTS with an overall score of 6.0 with no band less than 6.0 or equivalent.		

Bachelor of Outdoor and Environmental Education

Now is a great time to learn leadership, teaching and people skills to educate students about the outdoors and the environment. This course has a blend of hands-on and theoretical work, with subjects including outdoor leadership, community and bush environments, and coastal environments. You can also choose to major in tourism, human behaviour or conservation science. Perhaps you'll work in resorts, councils or community organisations. And maybe you'll start your own ecotourism company. As part of your studies you will participate in 200 hours of placement across 5 weeks.

LOCATION Mt Helen (Ballarat), Churchill (Gippsland)		INTAKE February, July
DURATION 3 years	CRICOS 085612B	ANNUAL FEE \$28,500
ENTRY REQUIREMENTS Successful completion of Australian Year 12 or overseas equivalent. Academic IELTS with an overall score of 7.5 with no band less than 7.0 or equivalent.		
PROFESSIONAL RECOGNITION Outdoors Victoria (OV), Outdoor Education Australia (OEA)		

Master of Clinical Exercise Physiology

Explore how exercise sciences integrates with the practical ability to develop and manage exercise programs for the prevention, treatment and ongoing management of injuries, chronic disease and complex conditions. Clinical knowledge, skills and experience is further applied to the completion of a research thesis or project. You will complete 540 hours of placement during your degree in the on-campus clinic and a range of external clinical settings.

LOCATION Mt Helen (Ballarat)		INTAKE February
DURATION 1.5 years	CRICOS 083032E	ANNUAL FEE \$31,100
ENTRY REQUIREMENTS Graduate Diploma of Clinical Exercise Physiology course-work component or overseas equivalent. Academic IELTS with an overall score of 7.0 with no band less than 7.0 or equivalent.		
PROFESSIONAL RECOGNITION Exercise and Sport Science Australia (ESSA).		

Master of Strength and Conditioning

Gain accreditation required to work with high achieving athletes and equip yourself with the skills to determine physical qualities such as strength, power, speed, agility and endurance. Other subject areas covered include recovery, nutrition, injury prevention and rehabilitation.

LOCATION Mt Helen (Ballarat)		INTAKE February
DURATION 1.5 years	CRICOS 096085G	ANNUAL FEE \$31,100
ENTRY REQUIREMENTS Successful completion of an Australian bachelor degree (or higher) or overseas equivalent in either exercise science, sport science, human movement, physical education or physiotherapy and at least one course in human anatomy, physiology, biomechanics, motor learning/skill acquisition, psychology, and exercise prescription. Academic IELTS with an overall score of 7.0 with no band less than 6.5 or equivalent.		
PROFESSIONAL RECOGNITION Australian Strength and Conditioning Association (Level 2 S&C coach). Note: This is dependent on the student's background on entry to the course.		

Higher Degrees by Research

Research with impact

From addressing challenges to help regional communities recover from bushfire and drought to answering complex global health care challenges – research at Federation University Australia makes a difference in the real world.

We collaborate with communities and industries across Australia and overseas and our work has measurable impact on our wider society.

Masters by Research

This Masters by Research program sees candidates working with a Principal Supervisor appointed by the Research Higher Degrees Sub Committee with the approval of the School.

LOCATION	DURATION
Mt Helen Campus (Ballarat), Berwick Campus (Melbourne), Gippsland Campus (Churchill)	1.5 years
ENTRY REQUIREMENTS	
Bachelor degree and subsequent additional honours degree (first or second class) which includes a dissertation demonstrating the ability to undertake research at a Masters level; OR Honours equivalence such as a combination of professional qualification and research experience including Masters by coursework. Academic IELTS with an overall score of 6.5 with no band less than 6.0; or equivalent.	

Doctor of Philosophy

This Doctor of Philosophy program sees candidates working with a Principal Supervisor appointed by the Research Higher Degrees Sub Committee with the approval of the School.

LOCATION	DURATION
Mt Helen Campus (Ballarat), Berwick Campus (Melbourne), Gippsland Campus (Churchill)	3 to 3.5 years.
ENTRY REQUIREMENTS	
Bachelor degree and subsequent additional honours degree (first or second class); or Masters by Research degree; or current Federation University Australia Masters by Research candidate with sufficient research capability to demonstrate PhD capacity assessed via formal Confirmation of Candidature process; or Honours equivalence for applicants who have completed a Master by coursework or have appropriate professional experience. All students must have previously completed a thesis or dissertation demonstrating the ability to undertake research at a PhD level. Academic IELTS with an overall score of 6.5 with no band less than 6.0; or equivalent.	

Apply for Research

Visit [federation.edu.au/applyforresearch](https://www.federation.edu.au/applyforresearch) to familiarise yourself with:

- The research priority areas as well as the strategic research directions of the school in which you intend to enrol.
- Check that you meet the academic entry requirements, and the English language proficiency requirements.
- Prepare your application and compile your evidence and supporting documentation.

International applicants should apply using the StudyLink application system.

Amali is conducting her PhD in collaboration with the Grains Research and Development Corporation (GDRC), an Australian Government institute that promotes world-leading R&D to create sustainable growth for Australian farmers.

“There’s a really big problem with herbicides. Weeds are evolving to become resistant to them and, if the pattern continues at its current rate, all the chemicals we use in farming will be defunct in the very near future. No new herbicides have been introduced in the last thirty years, so we need to find ways to maximise the effectiveness of existing ones through new combinations and approaches.

I’m trying to introduce a unique combination of existing herbicides that can treat herbicide-resistant wild radish and annual rye grass. In about a month’s time, I’ll be applying the chemicals for the first time, and I’m really excited to see if they work on the weeds without damaging the actual crops”

Amali Welgama, Sri Lanka
PhD in Agricultural Innovation

Academic IELTS with an overall score of 6.5 with no band less than 6.0; or equivalent.

Courses, costs and locations are subject to variation. For the most up to date information, visit [study.federation.edu.au](https://www.study.federation.edu.au)

Your next steps

Whether you're applying directly or via an agent, just follow these simple steps:

Step 1

RESEARCH

Find the Federation University course you wish to study

- For undergraduate and postgraduate courses visit study.federation.edu.au
- Check you meet the academic entry requirements
- Check you meet the English language requirements
- Check for any essential requirements that you need to complete in addition to your application.

Essential requirements may include auditions, tests or interviews.

Step 2

APPLY

International students or their agents must apply through the StudyLink online application system
Visit federation.edu.au/international/study-at-federation/apply

- Follow the instructions and ensure you have attached all relevant supporting documents.
- Details of documentation required is available at federation.edu.au/international/prepare

Note: Be aware of cut off dates.

Step 3

ASSESSMENT

Your application will be assessed by our team

- English language requirements
- Academic entry requirements

Step 4

OFFER MADE

Congratulations!

You will be sent an International Student Offer and Acceptance Pack that includes:

- Letter of Offer
- Information for accepting your offer
- GTE and/or financial assessment forms*

*Sometimes, international students will be required to complete a pre-visa screening process as a condition of their offer under the requirements of the Simplified Student Visa Framework (SSVF). The requirements will depend on a number of factors.

Refer to page 78 and federation.edu.au/SSVF for more information.

Step 5

ACCEPTANCE AND PAYMENT

Once you have provided all documentation and met all conditions, including passing SSVF Assessment, you will need to sign acceptance of your offer letter and pay the required fees. We will then issue you with an electronic Confirmation of Enrolment (CoE).

Note: Payments to Federation must be made via Western Union through your StudyLink application.

Step 6

VISA APPLICATION WITH CoE

You will need your CoE to apply for your Australian student visa.

More information on the visa application process is available at immi.homeaffairs.gov.au

Note: Make sure you plan in advance to get your visa in time.

Step 7

PREPARE TO ARRIVE

We will send you an International Student Support Guide to help you understand what to expect.

Flights

Make sure you arrive in time to attend the compulsory International Student Orientation Program that is held in the weeks before semester commences

Accommodation

Check out the offers from FedLiving – on-campus accommodation in Ballarat, Berwick and Gippsland (see page 14)

Transfers

Take advantage of Airport Pick Up services from FedLiving if you are going to the Ballarat, Berwick or Gippsland campuses (see page 14)

See pages 68-69 for Higher Degrees by Research

For higher degrees by research visit federation.edu.au/research

Academic entry requirements

Academic entry

Undergraduate courses

Applicants must be over 18 years of age at the time the Confirmation of Enrolment (CoE) is issued. Prospective students must have completed Australian Year 12 or overseas equivalent (refer to the table opposite).

Some courses may require additional specific entry requirements. For full details please visit study.federation.edu.au

Postgraduate courses

Prospective students must have completed an Australian Bachelors degree or overseas equivalent. Some courses may have additional specific entry requirements. For full details please visit study.federation.edu.au

Table of equivalence

The equivalence of qualifications from countries not listed in the table opposite will be assessed individually.

Country	Minimum academic requirement: Australian Year 12 equivalent
Global	GCE A Level with 5 points calculated on 2 or 3 A/AS level subjects. Advanced Level mark A=5, B=4, C=3, D=2, E=1. Advanced Subsidiary Level mark calculated as half of A level points. OR International Baccalaureate Diploma (IB) with a minimum score of 24 from 6 subjects.
Afghanistan	Successful completion of at least one year of recognised post-secondary studies.
Albania	Successful completion of at least one year of recognised post-secondary studies.
Algeria	Successful completion of at least one year of recognised post-secondary studies.
Angola	Successful completion of at least one year of recognised post-secondary studies.
Australia	Completion of Year 12. OR Completion of Foundation program.
Bahrain	Successful completion of at least one year of recognised post-secondary studies.
Bangladesh	Higher School Certificate (HSC) in First Division with GPA 3.5 or 60%.
Bhutan	Bhutan Higher Secondary Education Certificate with 80% on best 4 academic subjects.
Cambodia	Successful completion of at least one year of recognised post-secondary studies.
Canada	Canadian provincial high school certificate with 60%.
Chile	Successful completion of at least one year of recognised post-secondary studies.
China	Gao San (Senior high Year 3) with an average of 80% in four academic subjects. OR Gao Kao cut-off score for Tier 2 Chinese Universities. OR Completion of one year post-secondary study with at least an average score of 70% at a recognized institution.
Colombia	Completion of the first year of a Bachelor degree.
Congo (Democratic Republic of)	Successful completion of at least one year of recognised post-secondary studies.
Fiji	Year 13/Seventh Form with C or better in all subjects.
Ghana	West Africa GCE A Level with overall score of 10 points (refer to GCE A Level points).
Hong Kong	HKDSE with 15 points calculated on sum of 4 core subjects & 2 electives, where 5**=6, 5*=5, 4=4, 3=3, 2=2, 1=1; A*=6, A=5, B=4, C=3, D=2, E=1; and Attained with Distinction = 3, Attained = 1.
India	Completion of All India Senior School Certificate (CBSE) or Indian School Certificate (CISCE) with an average of 60% in best four academic subjects*. OR Higher Secondary Certificate with an average of 70% (for Punjab and Haryana) or 65% (for other State Boards) in best four academic subjects* *excludes local languages, work experience, physical education and other non-academic subjects.
Indonesia	SMA (Sekolah Menengah Atas) with an overall average of 7.0, or GCE A-levels with passing grades in three subjects.
Iran	Pre-University Certificate or successful completion of the National High School Diploma with overall average of 13 (out of 20).
Italy	Esame di Stato with overall average of 60%.

Japan	Kotogakko Sotsugyo Shosho (Upper Secondary School Certificate of Graduation) with an overall average of 2.5 (out of 4).
Kenya	Kenya Certificate of Secondary Education (KCSE) with grade B in 8 subjects. OR Satisfactory completion of one year post-secondary study at a recognized institution.
Korea (Republic of)	Immungye Kodung Hakkyo Choeupchang (Upper Secondary Certificate) with overall pass of 65%.
Kuwait	Shahadat Al-Thanawiya al-A'ama with overall average of 80%.
Lebanon	Lebanese Baccalaureate with minimum overall grade of 12.
Liberia	Successful completion of at least one year of recognised post-secondary studies.
Malaysia	Sijil Tinggi Pelajaran Malaysia (STPM) with a score of 6 points calculated on the sum of 3 subjects, where A=5, B=4, C=3, D=2, E=1. OR Chinese independent high school Unified Examination Certificate (JEC-SML) with a score of 12 points calculated on the sum of the best 5 academic subjects (excluding English general paper, Chinese, Bahasa Malaysia) where A1=8, A2=7, B3=6, B4=5, B5=4, B6=3, C7=2, C8=1.
Mongolia	Senior Middle School Graduation Certificate with average of 85% in final year results.
Nepal	Higher Secondary Certificate with 60%. OR National Examination Board (NEB) Certificate with CGPA 2.8.
New Zealand	National Certificate of Educational Achievement (NCEA) Level 3: a minimum of 80 credits; 60 credits at Level 3 and 20 credits at Level 2.
Nigeria	Satisfactory completion of one year post-secondary study at a recognized institution.
Norway	Norwegian Cert of Completion of Upper Secondary School Exams (Vitnemaal) with 3.0 on a 6.0 scale.
Pakistan	Higher Secondary School Certificate (HSC) or Intermediate Certificate examination in any stream with at least an average of 65%.
Papua New Guinea	Higher School Certificate with overall average of 3.0 or B.
Philippines	Satisfactory completion of one year post-secondary study at a recognized institution.
Russia	Attestat o Srednem (polnom) Obshchem Obrazovanii (Certificate of Secondary (Complete) General Education).
Saudi Arabia	Tawjihiyah (General Secondary Education Certificate) with at least an overall average of 80%. OR Completion of foundation program. OR One year higher education program study at a recognized institution.
Singapore	Singapore or GCE A-levels with passing grades in three subjects.
South Africa	National Senior Certificate with average of 50% or GPA 4.0
Sri Lanka	Sri Lankan A-levels or GCE A-levels with passing grades in three subjects.
Syria	80% on Middle Eastern Secondary School Leaving Certificate (Al Shahada Al-Thanawiya).
Taiwan	Senior High School Diploma or Senior Vocational School Diploma with an average of 70%.
Thailand	Matayom (Certificate of Secondary Education) with average grade of 80.
Togo	Successful completion of at least one year of recognised post-secondary studies.
UAE	Tawjihiyya or Thanawiyya AL-A'ama (General Secondary Certificate with a minimum score of 75%.
Uruguay	Successful completion of at least one year of recognised post-secondary studies.
USA	High school diploma with average grade of C.
Vietnam	Bang Tot Nghiep Trung Hoc Pho Thong (Upper Secondary School Education Graduation Diploma) with an average score of 70% or 7.0
Zimbabwe	Zimbabwe School Examination Council: Zimbabwe GCE at Advance Level (with minimum of 2 subjects at Advanced Level (Grade E or above) AND minimum of 5 subjects passed (Grade E or above) in the Zimbabwe GCE at O level.

Other specific academic assessment for applications which are not covered above will be assessed on a case-by-case basis.

English language requirements

Applicants are required to meet the minimum English language requirements for entry to a Federation University Australia course. The English language requirement for general courses such as Art, Business and General Science is Academic IELTS 6.0 with no band less than 6.0 or equivalent.

Applicants need to provide one of the documents below to demonstrate their English language proficiency.

English tests

The English test results must be valid prior to commencement date at Federation University. Every student will be assessed individually, and combination of English preparation program will be considered. We also accept Occupational English Test (OET) results with "B" in all bands, for entry into Nursing and Health Science courses only. OET results are not accepted for courses in other fields, including English and Academic Preparation (EAP) programs.

ACADEMIC IELTS	TOEFL IBT	PEARSON PTE	CAMBRIDGE CAE
Overall 7.5 (no less than 8.0 in Listening & Speaking, no less than 7.0 in Reading & Writing)	106 with minimums: Reading 24, Listening 28, Speaking 26, Writing 27	Overall 73 (no less than 81 in Listening & Speaking, no less than 65 in Reading & Writing)	Overall 191 (no less than 200 in Listening & Speaking, no less than 185 in Reading & Writing)
Overall 7.5 (no band less than 7.0)	106 with minimums: Reading 24; Listening 24; Speaking 23; Writing 27.	73 (no band less than 65)	191 (no band less than 185)
Overall 7.0 (no band less than 6.5)	100 with minimums: Reading 19; Listening 20; Speaking 20; Writing 24.	65 (no band less than 58)	185 (no band less than 176)
Overall 6.5 (no band less than 6.0)	79–93 with minimums: Reading 13; Listening 12; Speaking 18; Writing 21.	58 (no band less than 50)	176 (no band less than 169)
Overall 6.0 (no band less than 6.0)	60–78 with minimums: Reading 13; Listening 12; Speaking 18; Writing 21.	50 (no band less than 50)	169 (no band less than 169)
Overall 5.5 (no band less than 5.0)	46–59 with minimums: Reading 8; Listening 7; Speaking 16; Writing 18.	42 (no band less than 36)	162 (no band less than 154)
Overall 5.0 (No band less than 5.0)	35–45 with minimums: Reading 4; Listening 4; Speaking 14; Writing 14.	36 (no band less than 36)	154 (no band less than 154)

Under the special circumstances of the COVID-19 pandemic, Federation University will accept the TOEFL-iBT Special Home Edition test as meeting the University's own English requirements, using the same scoring equivalence as the standard TOEFL-iBT scores above. However, the Department of Home Affairs has not yet confirmed whether they will accept the Special Home Edition for the purposes of a visa application. We therefore recommend if students want to improve their chance of a successful Visa application that they sit for a prescribed English Language Test when facilities reopen and before they submit their visa application.

English language exemptions

Federation University Australia can also accept the following academic qualifications as meeting our general English language requirements. All qualifications must have been taken no more than two years prior to enrolment at Federation.

IN AUSTRALIA	
Qualification	Equivalent to Academic IELTS 6.0 with no band less than 6.0
English Program from a Federation recognised institution	Successful completion of English Language Intensive Course for Overseas Students
Australian Year 12 Secondary schooling	Successful completion of Senior Secondary Certificate
Australian TAFE or Higher Education provider	Successful completion of AQF Certificate IV or higher level
Foundation program from an Australian University	Successful completion of the Foundation program in Australia
OTHER COUNTRY	
First language is English – Citizens and passport holder of one of the following countries: Canada, Republic of Ireland, New Zealand, United Kingdom, United States of America	
Students who have completed at least five years' study in one or more of the following countries: Australia, Canada, New Zealand, South Africa, Republic of Ireland, United Kingdom, United States of America	

Further information about English language requirements is available at [federation.edu.au/international/study-at-federation/apply](https://www.federation.edu.au/international/study-at-federation/apply)

Important information

Simplified Student Visa Framework (SSVF)

Under the Simplified Student Visa Framework, the University is required to ensure all prospective international students meet the Genuine Temporary Entrant criteria and have the financial capacity to pay for tuition and living costs for the study period in Australia.

The University reserves the right to apply a pre-visa screening process for all international applications. International students must pass our pre-visa screening process before accepting their offer and making payment to obtain a Confirmation of Enrolment (CoE) letter. Students will need the CoE from the University to apply for a student visa.

As per the Department of Home Affairs' requirements for a student visa application, students must provide:

- A detailed statement setting out their reasons for undertaking the intended course(s) at Federation University Australia and explaining how they meet the genuine temporary entrant (GTE) criteria
- Evidence of sufficient funds to cover all expenses for the first 12 months of their stay in Australia
- Evidence of the genuine relationship between the applicant and any financial sponsor(s)
- A declaration that the applicant has access to sufficient funds and the applicant and the sponsor(s) have good financial capacity to meet course fees and living and travel costs to study in Australia.

Student visas

All overseas students are required to have an International Student Visa issued by the Australian Government.

Student visas are issued for full-time study on the understanding that the student completes their studies on campus, and has sufficient funds to cover tuition fees and living expenses while in Australia.

Students must comply with their visa conditions in order to retain their visa. You may be reported to the Department of Home Affairs and your visa may be cancelled if you do not comply with the conditions of your visa.

You can apply for your Student Visa from the Department of Home Affairs. For information regarding visas visit the Home Affairs website homeaffairs.gov.au

Overseas Student Health Cover

Students must have Overseas Student Health Cover (OSHC) before a student visa can be granted. The information for OSHC is included in your offer letter. The University can purchase health cover on your behalf through Bupa Australia Health.

If you wish to purchase your OSHC through another provider please advise the International Admissions team of your membership details. Your OSHC must cover your whole student visa period, and you must not arrive in Australia before the OSHC start date.

A full list of fees and information regarding coverage and exclusion is available at oshcaustralia.com.au

Your rights and responsibilities

The Educational Services for Overseas Students (ESOS) Act regulates the education and training sector's involvement with overseas students studying in Australia on student visas.

To view the ESOS Framework, please visit internationaleducation.gov.au

Cost of living

The cost of living will vary according to lifestyle and location. It is generally more affordable living in a regional area such as Ballarat or Gippsland due to lower accommodation costs compared to living in a major city. The Australian Government indicates the cost of living for 12 months is \$21,041.* Estimated living expenses are included in the table opposite to help you prepare a budget.

Additional expenses such as tuition fees, Overseas Student Health Cover and other study expenses are not included in this table.

*studyinaustralia.gov.au (May 2021)

INDICATIVE LIVING EXPENSES PER WEEK	BALLARAT VICTORIA	GIPPSLAND VICTORIA	MELBOURNE VICTORIA	BRISBANE QUEENSLAND
Accommodation per week (based on median rent of shared 3 bedroom house/apartment)	\$110*	\$87*	\$256*	\$157^

International student fees

Course fees for tuition in this guide apply to international students studying on-campus in Australia. The fees listed are an annual amount, and they are based on a standard study load per year. Any variation to the study load will result in an adjustment to tuition fees. All fees are subject to annual review and may be adjusted.

Fees apply to students commencing in 2022 only. Course tuition fees cover the full cost of tuition but exclude the cost of living (housing and food), medical insurance, textbooks, entertainment, telephone calls, transport, as well as non-compulsory course expenses.

Non-tuition fees listed on the Administrative fees and charges website may be applied if relevant. These fees are subject to change. Refer to federation.edu.au for more information.

Partner providers

Federation University has collaborative relationships with a number of on-shore and offshore partner institutions. Further information available at federation.edu.au/international

Key dates for 2022

Applications

Generally, the deadline for off-shore application is one month prior to semester/trimester commencement. Future students are advised to apply as early as possible in order to allow sufficient time for application and visa processing by Australian authorities. Please refer to the Federation University website for the most up-to-date information on application deadlines.
