

English pathways and entry requirements

If you don't meet the English requirements for the course of your choice, you have the opportunity to find a pathway with an English and Academic Preparation course.

Our English and Academic Preparation (EAP) courses are designed to assist international students to gain entry into higher education degrees that require an Academic IELTS of 6.0, 6.5 or 7.0. Study can be as short as 5, 10, 15 or 20 weeks, giving students a strong foundation for academic success.

EAP courses run prior to the commencement of each semester at our Ballarat and Berwick campuses. Courses are also available online whilst travel restrictions are in place. Classes are scheduled for 20 hours of contact time each week. This is on campus for onshore students and online for international students unable to study in Australia due to travel restrictions. Additional independent study is expected by students to meet the minimum standards to pass.

Learning tasks and assessments

Our EAP courses aim to enhance and develop students' English language skills and knowledge of western academic culture. During the course, students will develop skills in:

- Academic reading and writing
- Oral presentations and tutorial discussions
- Academic vocabulary and assessments
- Research and study techniques

A range of learning tasks and assessment methods will enable students to demonstrate competency. Students are generally not required to sit an Academic IELTS test after their satisfactory completion of EAP.
